Please place one form with each sample in an envelope and send to the Cereal Disease Laboratory. Wheat leaf rust samples should be directed to Jim Kolmer; stem rust to Yue Jin; barley leaf rust to Matt Rouse and oat crown rust to Jerry Ochocki.

Please send samples to:

Cereal Disease Laboratory
1551 Lindig Street
University of Minnesota
St. Paul, MN 55108

For more information, please contact Mark Hughes (Mark.Hughes@ars.usda.gov)

***Please send stripe rust samples to:**

Xianming Chen
361 Johnson Hall
Washington State University
Pullman, WA 99164-6430

Phone: 509-335-8086
