Healthy Eating And Lifestyle for Total Health

Adult Participant Consent

Dear Parent:

This packet contains information about a study to be conducted in children that attend Maryland public schools. You are kindly invited to participate. The purpose of the study is to understand better how we can help children and adults make healthier diet choices. This study will be conducted in 6 – 8 states across the country and will include African Americans, European Americans and Hispanics. In Maryland, we will be interviewing African-American and European-Americans. Please read carefully the enclosed material.

Please read carefully the enclosed material. If you agree to participate in this study, please:

• Complete the Eligibility Form and fax to 301-504-9872.

We will then contact you to set up the study interview. All interviews will be held at the Beltsville Human Nutrition Research Center. The approximate time commitment is 1.5 – 2 hours.

If you have any questions, please feel free to call **Deirdra Chester**, Project Coordinator, at **(301) 504-5146**.

THANK YOU!
