

Journal Code Request Form

Please complete **1-5** on this form to request a journal code. **All information must be received before a code can be generated.** If you are requesting more than two (2) journal codes a separate form should be completed.

1st Request

1. Name of the Publication (e.g., name of the journal, book, trade journal):
2. Type of Publication (e.g., peer-reviewed journal, trade journal, proceedings):
3. Publisher (if known):
4. URL of the journal or publisher (if known):
5. **Does the journal have a Confidentiality clause:** **YES** **NO**

****Note:** The confidentiality clause status (Yes or No) is specific to each journal. This clause states that the publication must be kept confidential until the journal has been published. To determine if a journal has a confidentiality clause, call the journal directly, search the journal's website, and/or ask the scientist to obtain this information. (ARIS manual, Chapter 5, page 27)**

2nd Request

1. Name of the Publication (e.g., name of the journal, book, trade journal):
2. Type of Publication (e.g., peer-reviewed journal, trade journal, proceedings):
3. Publisher (if known):
4. URL of the journal or publisher (if known):
5. **Does the journal have a Confidentiality clause:** **YES** **NO**

****Note:** The confidentiality clause status (Yes or No) is specific to each journal. This clause states that the publication must be kept confidential until the journal has been published. To determine if a journal has a confidentiality clause, call the journal directly, search the journal's website, and/or ask the scientist to obtain this information. (ARIS manual, Chapter 5, page 27)**
