Lodging

A block of rooms has been reserved at the Best Western University Inn near the CSU Campus (914 South College Avenue, 970-484-1984). [Click here for directions](#). This motel is within easy walking distance to campus where the Genotyping Lab meeting will be held on June 19. It is also convenient walking distance to various local eating and drinking establishments. The block of rooms is reserved under the name "Wheat Breeders" and the block will be removed May 19.

Several other motels are available in Fort Collins near the I-25 and Mulberry Street interchange. These motels are in closer proximity to ARDEC but are further from the CSU campus and there are really no decent places to eat nearby (except for McDonald's, Burger King, Denny's, etc). These include the following:

Motel 6 – 3900 E. Mulberry, 970-482-6466	Super 8 – 409 Centro Way, 970-493-7701
National 9 Motel – 3634 E. Mulberry, 970-482-1114	Days Inn – 3625 E. Mulberry, 970-221-5490
Mulberry Inn – 4333 E. Mulberry, 970-493-9000	Plaza Inn – 3709 E. Mulberry, 970-493-7800

Directions

Fort Collins is located about 65 miles north of Denver on I-25. ARDEC is located about 5 miles north of Fort Collins along the Frontage Road on the east side of I-25. [Click here](#) for directions to ARDEC.

Visitors coming from the east along I-70 or from the south on Highway 287 (to Lamar) or Highway 385 (to Burlington) may visit CSU Wheat Testing Locations along the way. Email Scott Haley (scott.haley@colostate.edu) for directions and maps. Email Rollie Sears (rollin.sears@agripro.com) for information on Agripro nurseries and Sid Perry (sperry@westbred.com) for information on Westbred nurseries.

The University of Nebraska Sidney High Plains Ag Lab's annual field day will be held June 19th. Should you wish to attend, email Bob Graybosch (Bob.Graybosch@ars.usda.gov) for details.

RSVP

Please RSVP with the number of people from your program attending by contacting Scott Haley by phone (970-491-6483) or email (scott.haley@colostate.edu) by **Friday June 8, 2007**.
