

2016 Code of Hunting Ethics

USDA-ARS Northern Great Plains Research Laboratory

Antlerless Archery Deer Season begins September 2, 2016.

The North Dakota Governor has proclaimed an Experimental Antlerless Deer Bow Hunting Season on lands owned and/or managed by the USDA-ARS Northern Great Plains Research Laboratory (NGPRL) to reduce population numbers. These licenses are for USDA-ARS NGPRL owned and managed lands only.

According to the proclamation: *“A maximum of 35 antlerless deer bow permits (available from the Department’s Bismarck office) will be issued for hunting at the USDAARS Northern Great Plains Research Lab in Mandan. This special season will run from September 2, 2016 through January 31, 2017. Applicants must first obtain a permit from USDA-ARS and can apply only through their website at www.ars.usda.gov/pa/ngprl.”*

This hunt will conform to the stipulations of the North Dakota 2016 Deer Hunting Proclamation (<http://gf.nd.gov/gnf/regulations/docs/deer/proc-deer-2016.pdf>). Hunters should refer to the 2016 Deer Hunting Guide (<http://gf.nd.gov/gnf/regulations/docs/deer/deer-guide.pdf>) for more details. Opening day (September 2) shall begin at 5:00 p.m. (not noon).

Successful applicants must sign acceptance of this ‘2016 Code of Hunting Ethics’ and purchase a special license, and other required licenses at the North Dakota Game & Fish Headquarters (100 North Expressway, Bismarck ND 58504) **prior to attending a one hour mandatory safety meeting at the USDA-ARS Northern Great Plains Research Laboratory at 7:00 p.m. on August 25, 2016** (Bridge Conference Center, 1701 10th Avenue SW, Mandan, ND 58554).

This license may be received in addition to the North Dakota general archery deer hunting license. Each selected hunter may hunt only non-federal work days. Hunting is allowed from 5:00 p.m. Friday (or day preceding federal holiday) to ½ hour past sundown on Sunday and on federal holidays. Please be aware that research personnel may be working in late afternoon and/or evenings.

Successful completion of the International Bowhunters Education Course is required to archery hunt on the USDA-ARS, Northern Great Plains Research Laboratory. To enroll in the International Bowhunters Education Course, visit the North Dakota Game and Fish Department website at: www.gf.nd.gov and click on the Hunter Education tab.

Application deadline is 5:00 p.m. on August 14, 2016. Only hunters selected in a random lottery from names submitted on the NGPRL website (<http://www.ars.usda.gov/pa/ngprl>) will be approved for hunting access to USDA-ARS owned and/or managed lands during the dates and times specified. Applicants will be notified of results via email on August 15, 2016.

USDA-ARS Antlerless Deer Archery Hunting Licenses not purchased by September 2, 2016 will be void. Unsuccessful lottery applicants will have first option for unclaimed licenses. Remaining licenses may be offered to participating hunters.

Scouting for game is permitted after 4:00 p.m. on weekdays and all day on weekends, and federal holidays. No weapons are permitted during scouting.

In addition to this license to hunt antlerless white-tail or mule deer, each successful applicant may also purchase a license (for use only on lands owned and/or managed by the USDA-ARS Northern Great Plains Research Laboratory) to archery hunt Wild Turkeys.

Special arrangements may be made available for handicapped hunter access. Please contact the USDA-ARS Technical Information Specialist.

Hunters are personally responsible for security and safety of all personal possessions and shall hold the U.S. Government, its agencies, partners, and employees harmless in the event of personal injury, and/or property loss or damage. Hunters will bear liability for harm to public buildings and property, and may result in immediate and permanent termination of hunting privileges.

Successful applicants will receive vehicle parking permits and federal access guidelines upon completing forms at the North Dakota Game & Fish Department Headquarters. A 'USDA-ARS Parking Permit' shall be prominently exhibited in the vehicle front window while on campus. Vehicles on the USDA-ARS campus not exhibiting a valid permit may be towed at the owner's expense. Please do not block gates or vehicle access routes when parking.

Each hunter will annotate their onsite or offsite situation on their 'Hunter Sign In' status sheet which is to remain in the 'Hunter Sign In' mail box located to the west of Building 1 (main building). One sheet per weekend is acceptable. Photocopies are acceptable. Please also annotate the 'Hunter Sign In' status sheet when and where game is harvested.

Walk-in hunting only (bicycles are permitted). All-Terrain Vehicles (ATV) are not permitted. Upon harvesting of game, the hunter may be permitted to retrieve the carcass on established roads. Contact USDA-ARS Technical Information Specialist for assistance in opening gates if needed.

Under no circumstances will hunting be permitted within 440 yards of buildings without notification and permission of the occupants prior to hunting each time. All hunters must wear blaze orange during the North Dakota Deer Gun hunting season November 4, 2016 through November 20, 2016.

Baiting of game, use of alcohol, open fires, or smoking are not permitted on USDA owned and/or controlled property. It is prohibited to hunt in unharvested crops, including alfalfa, clover, and other grasses grown for seed. Emerged winter wheat is an unharvested crop.

Defacing or disfiguring trees in any manner is prohibited. No permanent tree stands are allowed. Portable tree stands may remain in place from August 25, 2016 through January 31, 2017 if they are concealed from public view and owner's contact information is attached.

Hunting setup may commence at 4:30 p.m. with active hunting restricted until 5:00 p.m. on Friday or day prior to federal holiday. Hunting is allowed all day on federal non-work days except date of the Bis-Man Bird Club's annual Christmas Bird Count (date to be announced later) and other authorized public activities which may be later announced.
