

ARIS 115

Journal and Non-ARS Employer Code Request Form

All fields, respective to the code you are requesting, **must be completed**, for your request to be processed. Completion of the form helps correctly identify and/or distinguish entities in ARIS.

Date of Request:

1. Code being requested:

2. Name of organization or publication:

3. English Translation (if foreign):

4. URL of org or publisher:

Please complete numbers 5-6 **ONLY** if requesting a **Journal Code**

5. Pub Type:

NOTE: The publication type should reflect the actual publication, not be based on where it is being published (e.g., "R" – Review Article should be chosen for a Review Article, even if being published in a peer reviewed journal.)

**Must have approved Plant Material Docket prior to entering this publication type.*

*** Please review the Patent Application Information in Chapter 5 of the ARIS Manual prior to entering this publication type.*

**** Please check with TTC or a Patent Advisor prior to entering this publication type.*

6. Publisher's Name:

7. Does the publication have a confidentiality clause?

NOTE: The confidentiality clause status (Yes or No) is specific to each journal. This clause state that the publication must be kept confidential until the journal has been published. To determine if a journal has a confidentiality clause, call the journal directly, search the journal's website, and/or ask the scientist to obtain this information.

Please complete numbers 8 - 12 **ONLY** if requesting a **Non-ARS Author employer code**.

8. Address:

9. City:

10. State:

11. Zip Code:

12. Country:
