Firenze, Italy  
November 7, 2003

**PERMISSION TO PUBLISH MANUSCRIPT MATERIAL**

Name: Henry L. Shands  
Institution: USDA-ARS National Center for Genetic Resources Preservation  
Address: 1111 S. Mason Street  
Fort Collins, Colorado 80521-4500 USA  
Telephone: 970-495-3221  
Date: November 7, 2003

---

I hereby request permission to publish the following material in digital format and 1) distribute free copies of CD-ROMs containing the material, and 2) place the files on the USDA web-server for free access by maize breeders and scientists worldwide.

Avila, G. and A. G. Brandolini. 1990. I Mais Boliviani. Istituto Agronomico per L'Oltremare. Firenze

and

Instituto Nacional de Tecnologia Agropecuaria (INTA). 1997. Catalogo de Germoplasma de Maiz Argentina. Agronomico per L'Oltremare. Firenze

These documents will appear in "The Races of Maize Collection", a fully searchable CD series incorporating the publications of the U.S. National Research Council, Harvard University Press, and other organizations that have given similar permissions.

Credit will be given to the Agronomico per L'Oltremare for this cooperation and free copies made available to the institute containing all the material publish on the Races of Maize.

Signature of the requesting author:

Henry L. Shands

Approval (Director's signature):

Alice Perlini
