Thanks so much for your help.

Season's greetings to you and your colleagues.

Henry

Dear Henry Shand

Silvana Bonas passed your message on to me, in Ruth's absence.

Maria Garruccio, our librarian, tracked down the full reference. it is:

Geric, I.; Zlokolica, M.; Geric, C.; Stuber, C.W. International Board for Plant Genetic Resources, Rome (Italy). 1989. Races and populations of maize in Yugoslavia. Systematic and Ecogeographic Studies on Crop Genepools, no. 3 Rome (Italy): IBPGR. 108 p. ISBN: 92-9043-185-7.

Permission to use this as you ask is granted, subject to the following conditions. The document should be accompanied by the original citation, above, and credit should be given to IPGRI with a note that the document was provided to you free of charge.

In future, if it is helpful, you should send all requests for similar permissions to Paul Neate, Head of IPGRI's Communications Services
(p.neate@cgiar.org)

I hope this helps, and wish you season's greetings.

Jeremy Cherfas
