

Ohio Nursery Tours

2007

The Ohio Nursery & Landscape Association and the Nursery Growers of Lake County Ohio have joined forces to offer the 2007 Ohio Nursery Tours.

The tour is scheduled for Wednesday, August 15, 2007 (the day following the NGLCO Field Day) and features nurseries in the Lake County, Ohio region.

Beginning at 8:00 a.m., tour-goers will meet for a short educational seminar (speaker and topic to be determined) before splitting into two separate tour routes (specific routes forthcoming). Each bus tour route will visit at least three nurseries. Nurseries scheduled to participate in the bus tour include:

- Klyn Nurseries, Inc.
- Sunleaf Nursery, LLP
- Herman Losely & Son, Inc.
- C.M. Brown Nurseries, Inc.
- The Cottage Gardens, Inc.
- Springbrook Gardens, Inc.
- Lake County Nursery, Inc.

A packet of materials will be provided to each attendee. A box lunch will be served at a nursery. The day will conclude around 5:00 p.m.

Because the tour includes several important educational components, this event fulfills the requirements for one Ohio Certified Nursery Technician recertification credit.
