

MSACOP

Mid South Area Council for Office Professionals

The **Goal** of the MSACOP is to enhance office professionals through training, networking, mentoring, and recognition of office support employees. It is the desire of the Council to work with all levels of management to assure that office support staff are highly skilled and motivated professionals and to assure that the clerical and administrative needs of the Mid South Area and ARS are met.

The **Mission** of the MSACOP is to provide a resource for the Area Director's Office and all levels of management for matters relating to office professionals.

The Mid South Area Office Professionals (MSAOP) consists of USDA-ARS employees, classified in the GS Series: 303, 322, 318, 326.

MSAOP are represented by the Mid South Area Council for Office Professionals (MSACOP).
