

NARMS-EB 2001 - Veterinary Isolates

MICs for *Campylobacter jejuni* among *Campylobacter jejuni* isolates

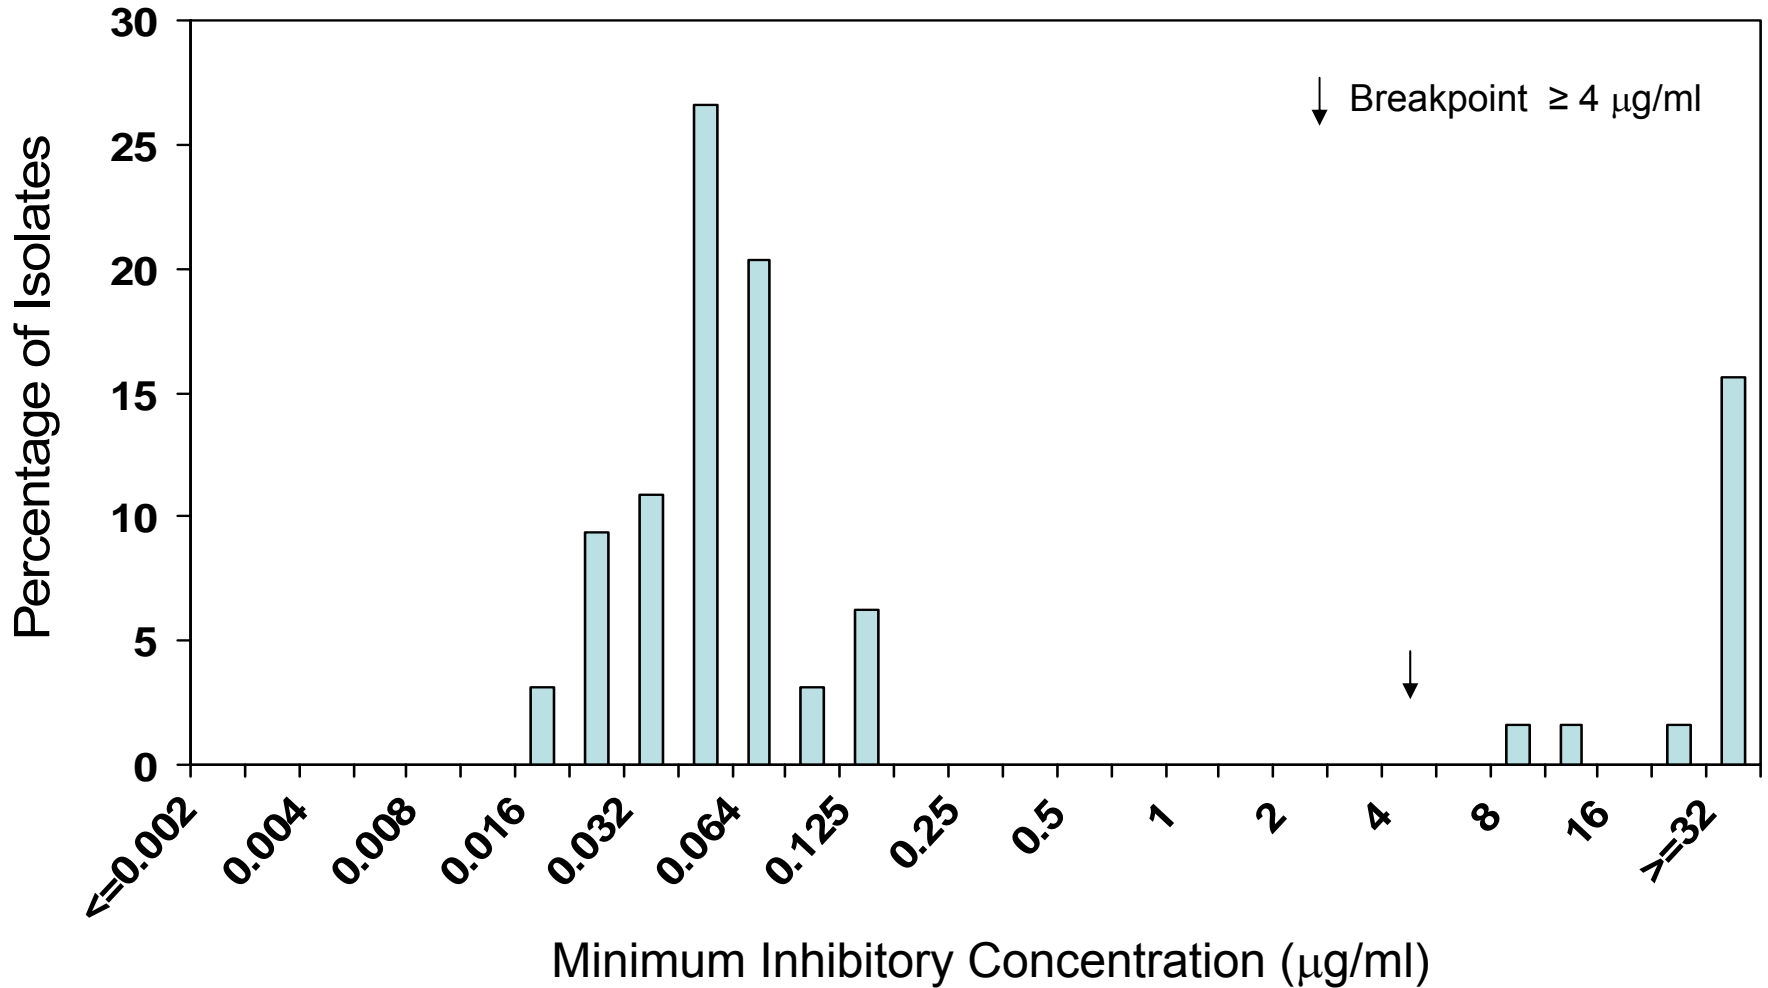

NARMS-EB 2001 - Veterinary Isolates

MICs for Chloramphenicol among *Campylobacter jejuni* isolates

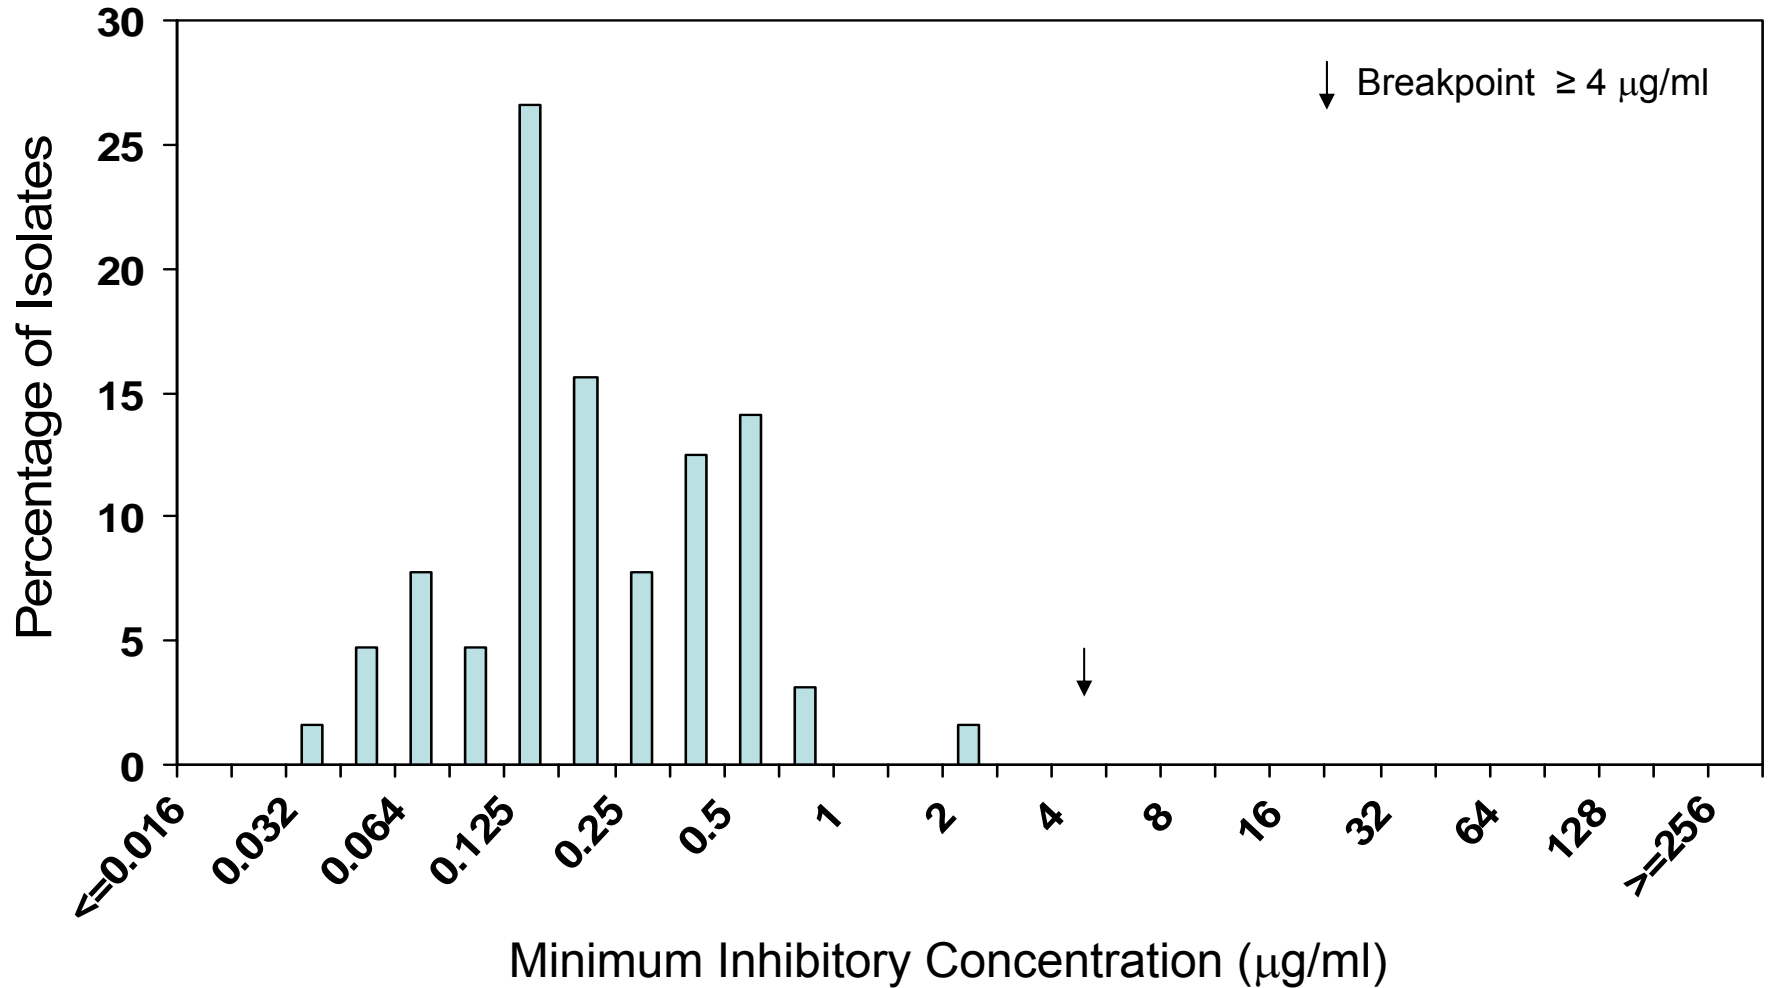

NARMS-EB 2001 – Veterinary Isolates

MICs for Ciprofloxacin among *Campylobacter jejuni* isolates

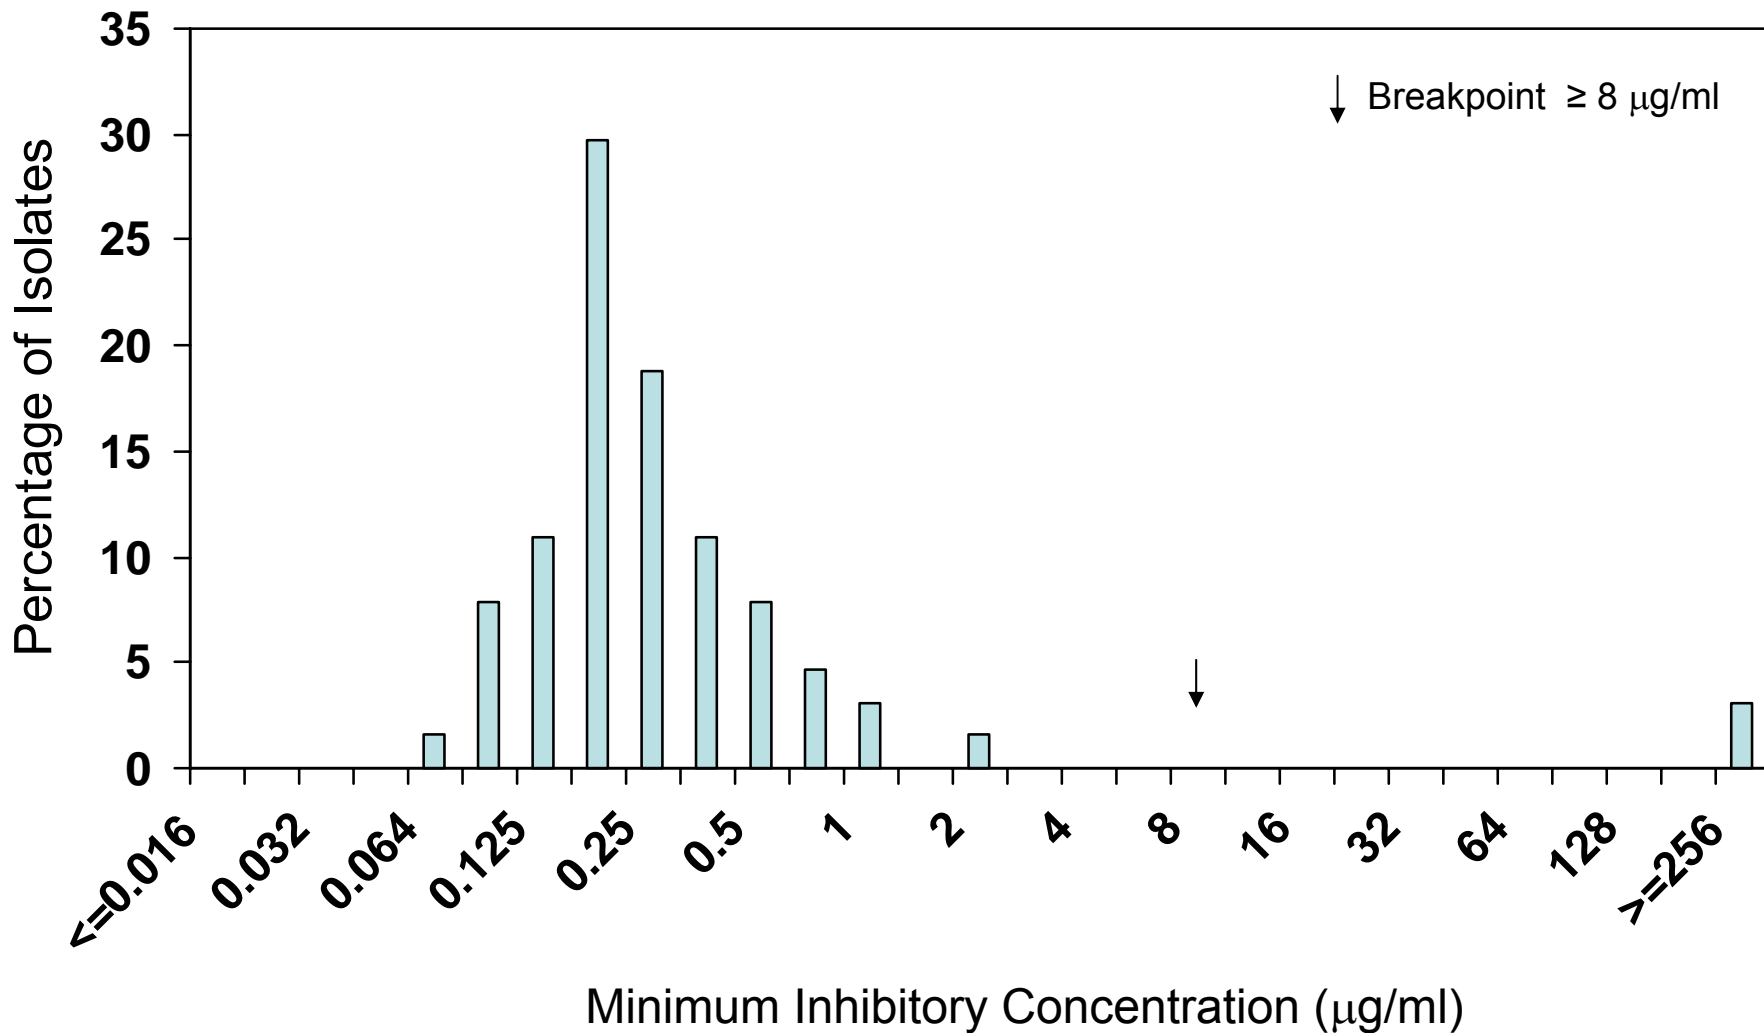

NARMS-EB 2001 – Veterinary Isolates

MICs for Clindamycin among *Campylobacter jejuni* isolates

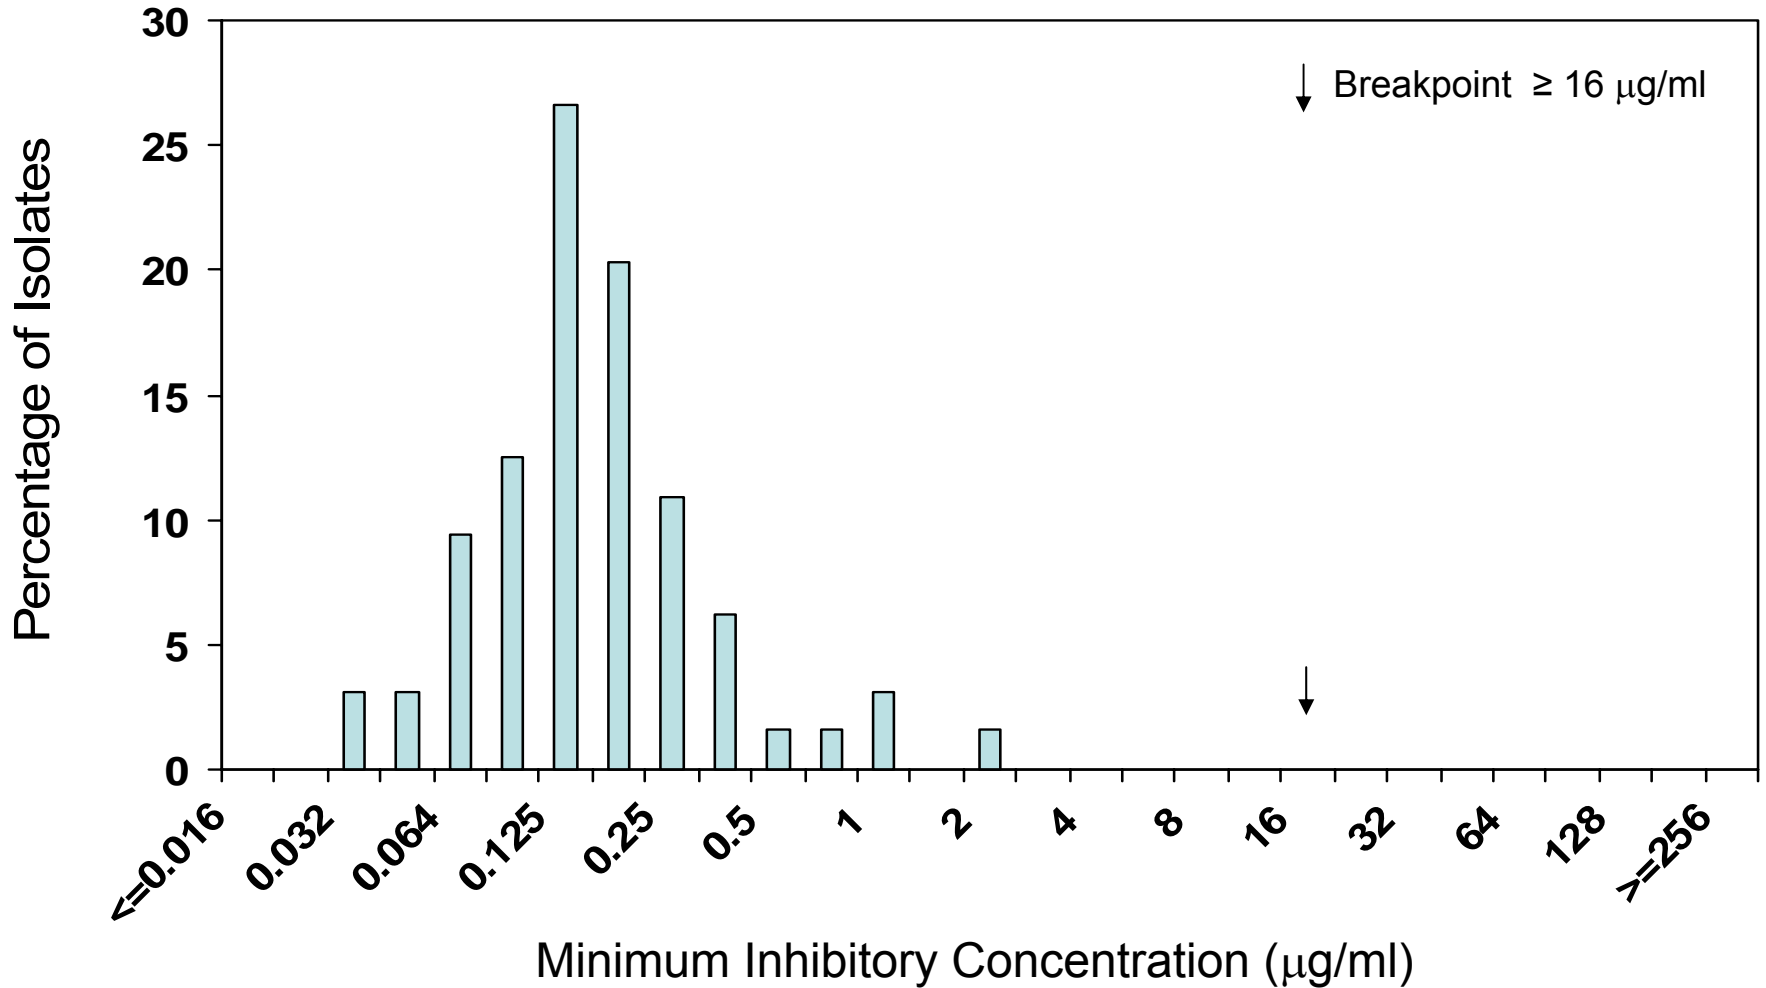

NARMS-EB 2001 – Veterinary Isolates

MICs for Erythromycin among *Campylobacter jejuni* isolates

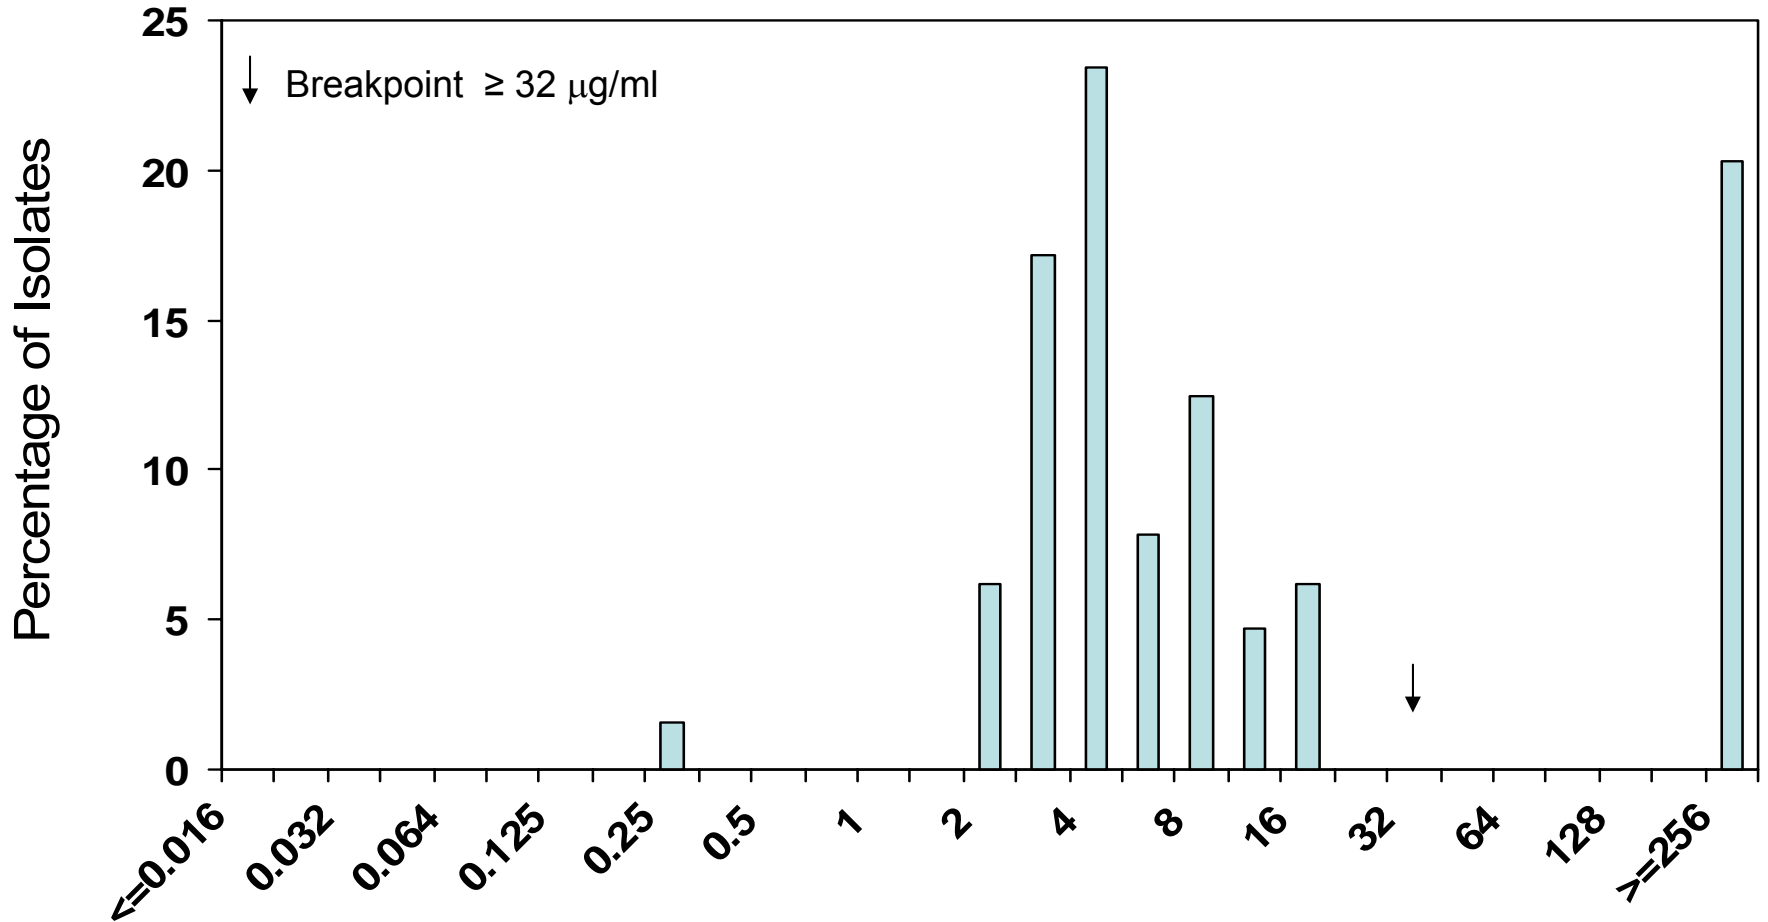

NARMS-EB 2001 – Veterinary Isolates

MICs for Gentamicin among *Campylobacter jejuni* isolates

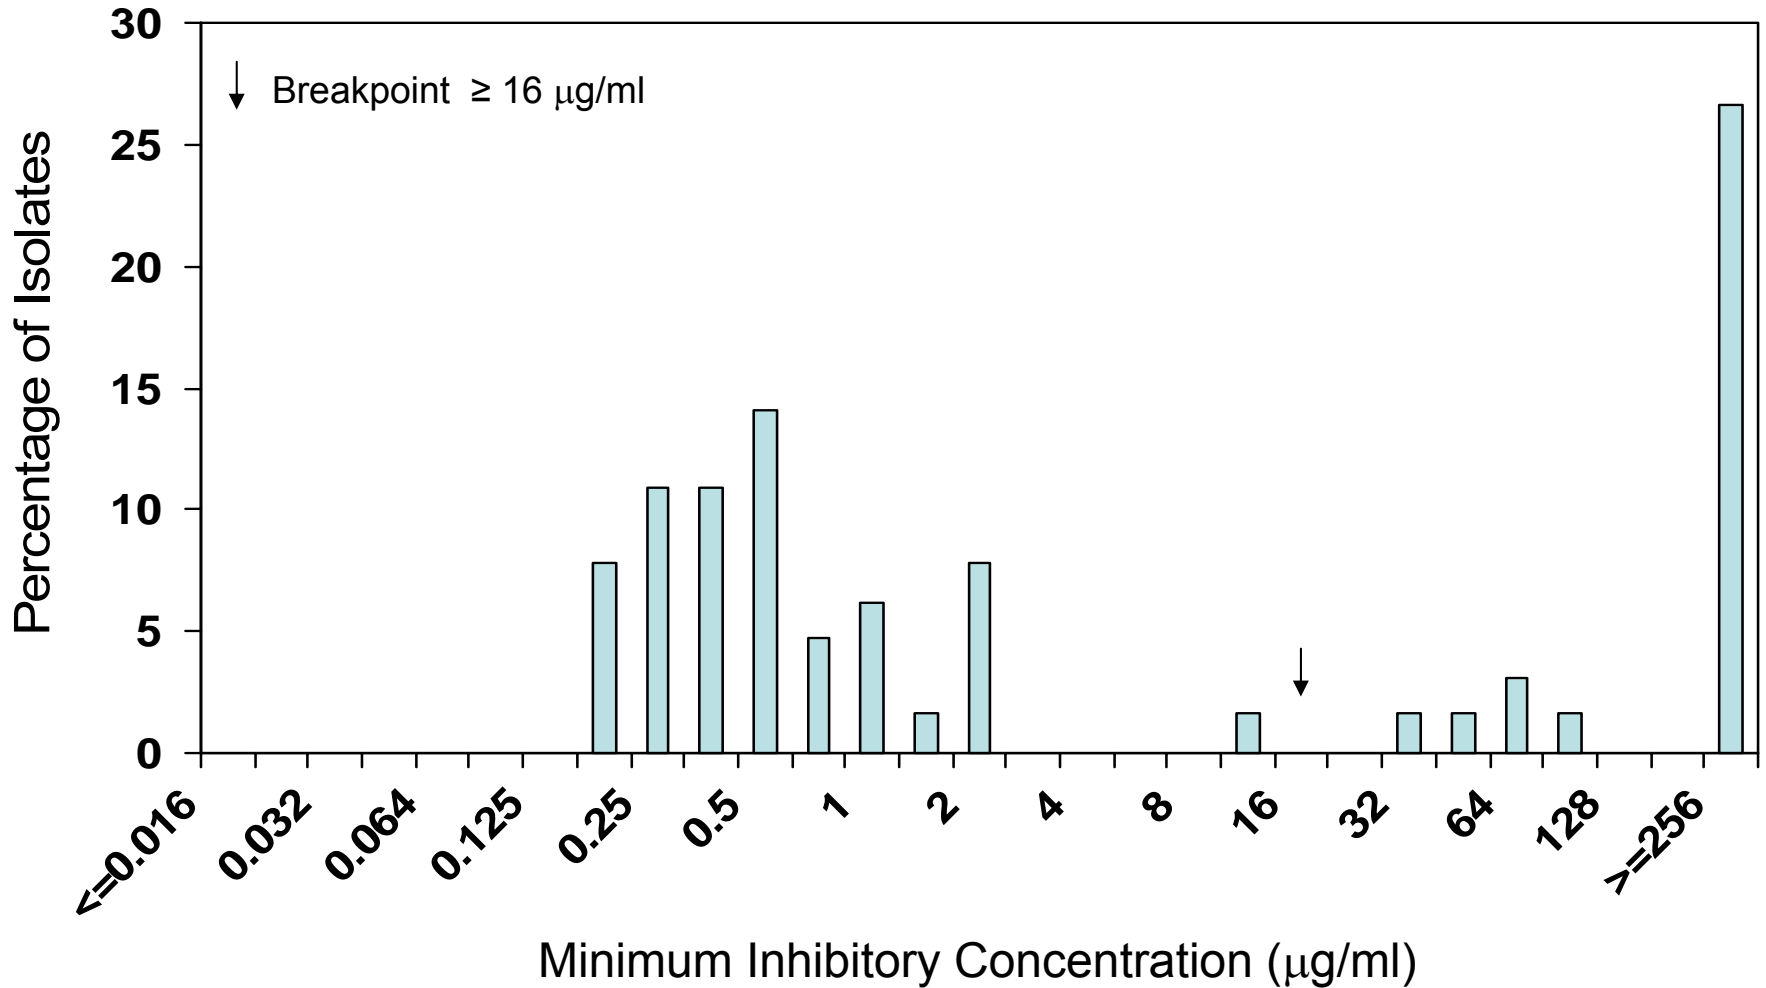

NARMS-EB 2001 – Veterinary Isolates

MICs for Nalidixic Acid among *Campylobacter jejuni* isolates

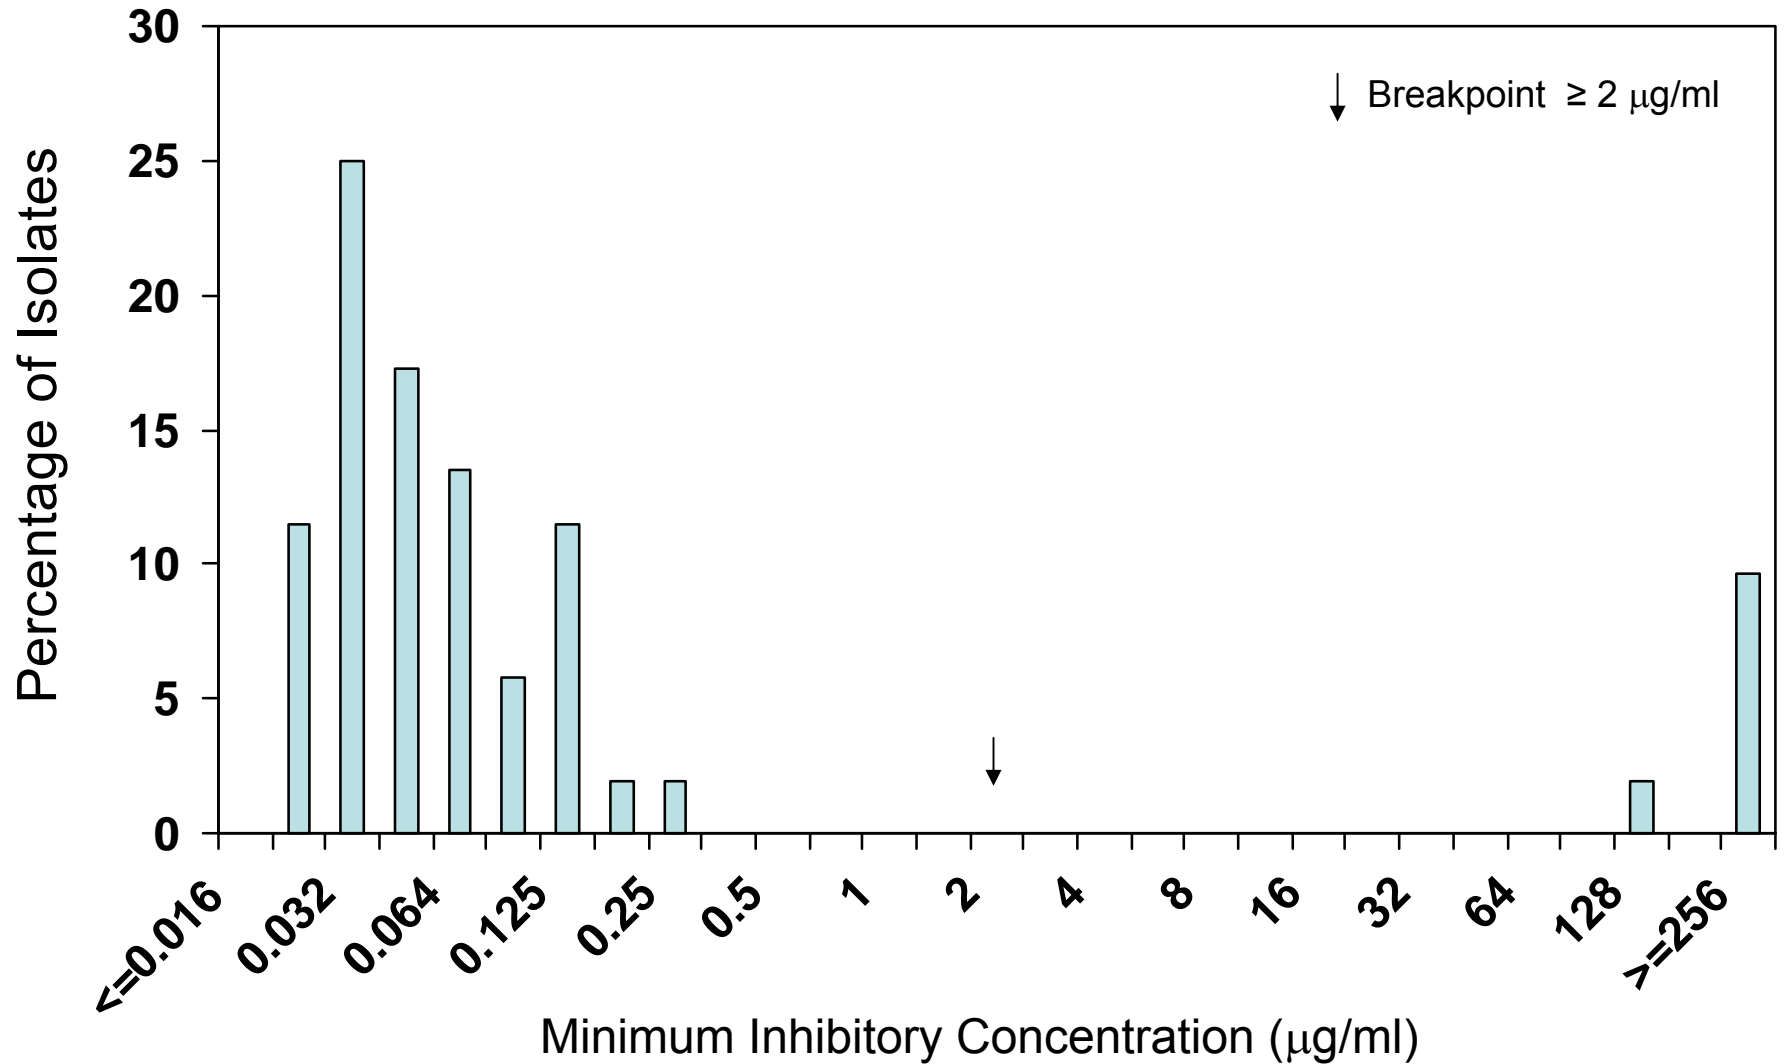

NARMS-EB 2001 – Veterinary Isolates

MICs for Tetracycline among *Campylobacter jejuni* isolates

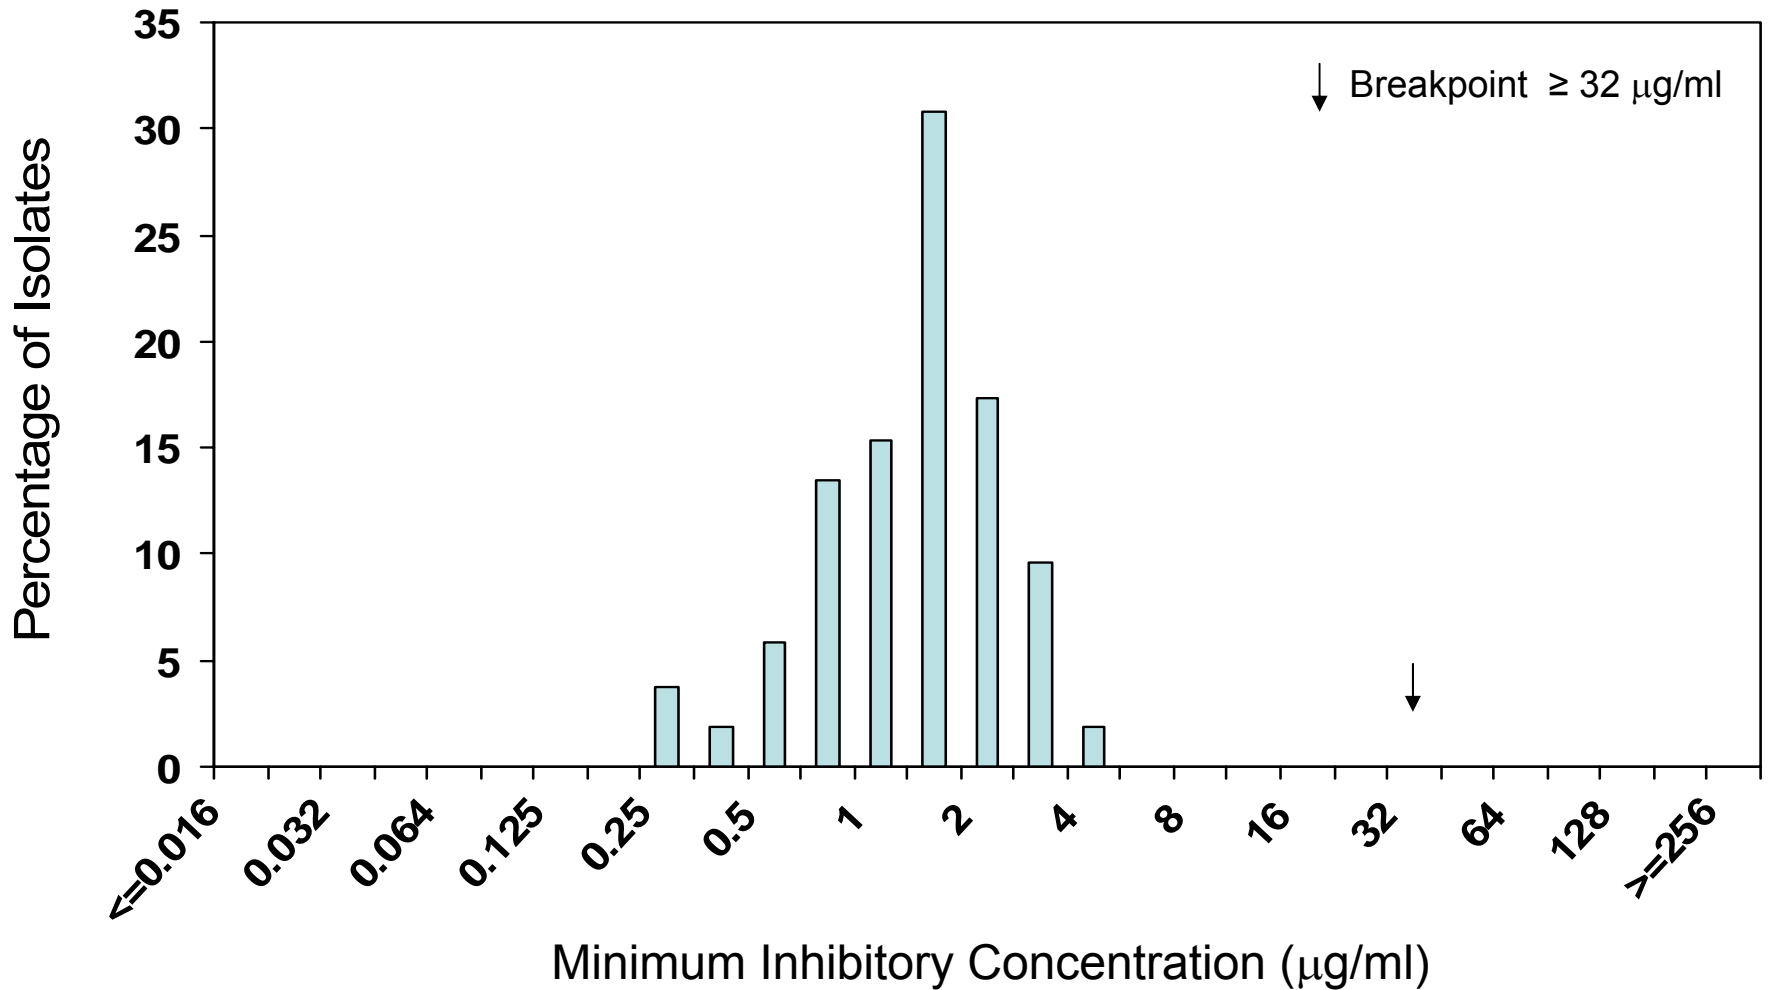

NARMS-EB 2001 – Veterinary Isolates

MICs for Azithromycin among *Campylobacter coli* isolates

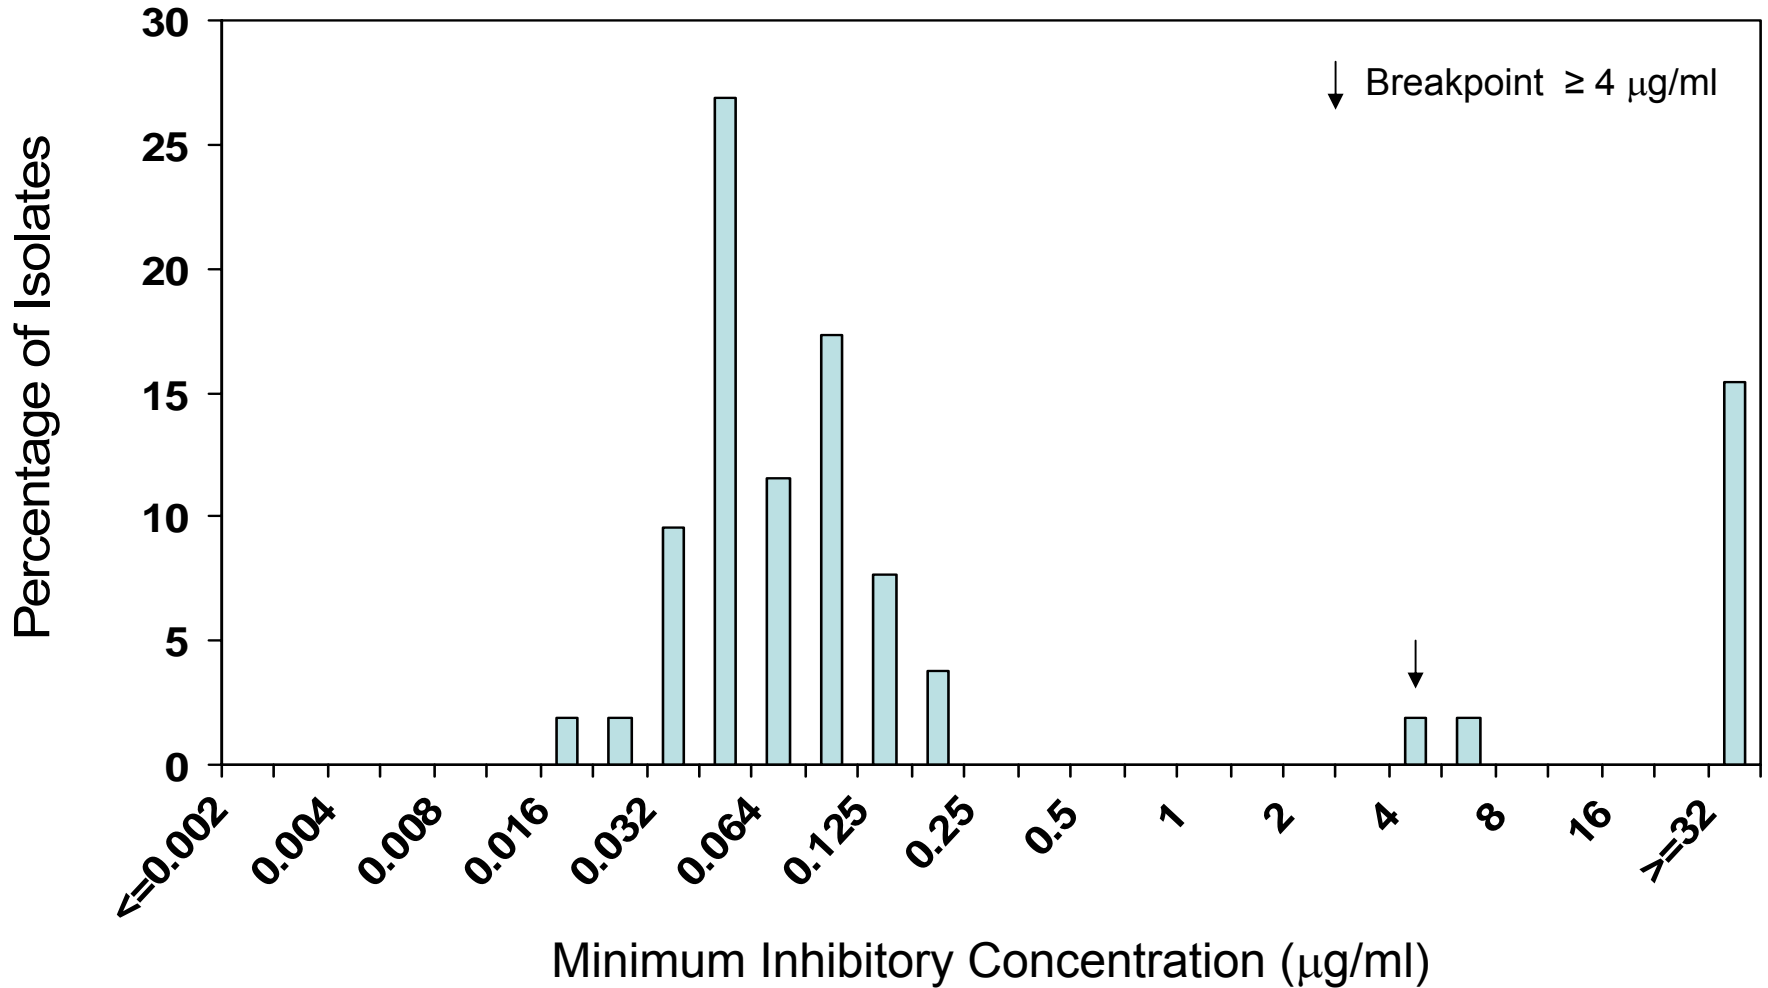

NARMS-EB 2001 – Veterinary Isolates

MICs for Chloramphenicol among *Campylobacter coli* isolates

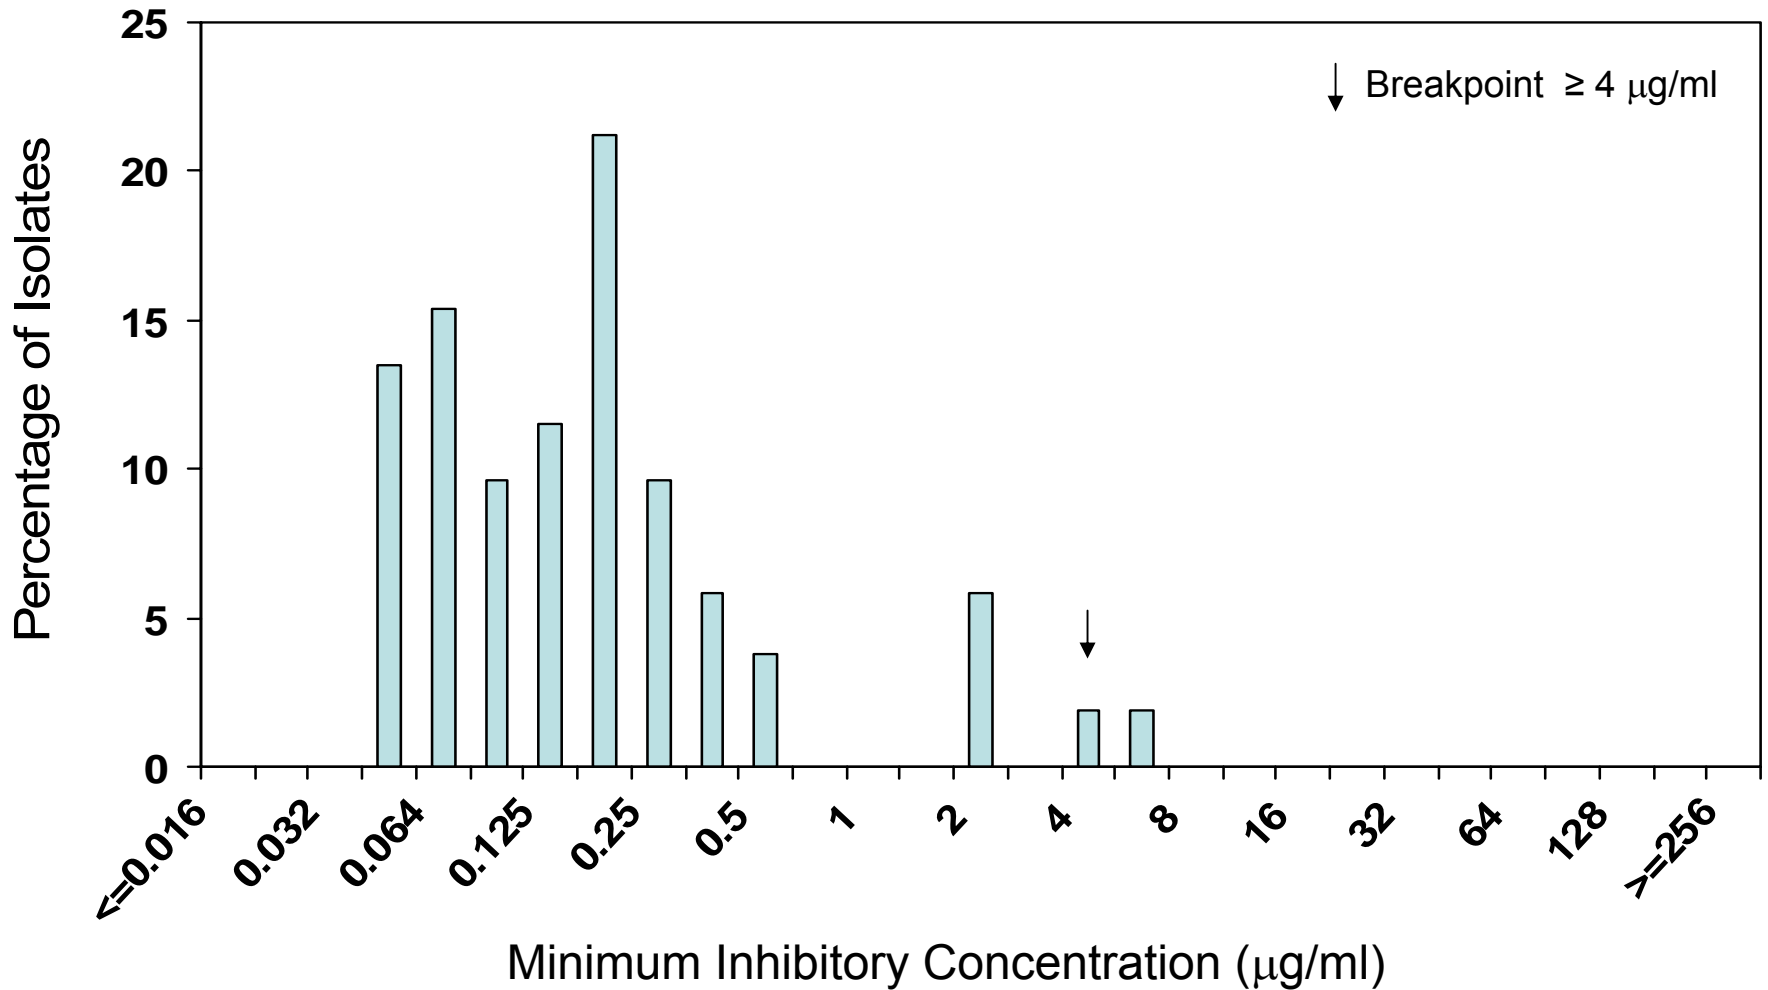

NARMS-EB 2001 – Veterinary Isolates

MICs for Ciprofloxacin among *Campylobacter coli* isolates

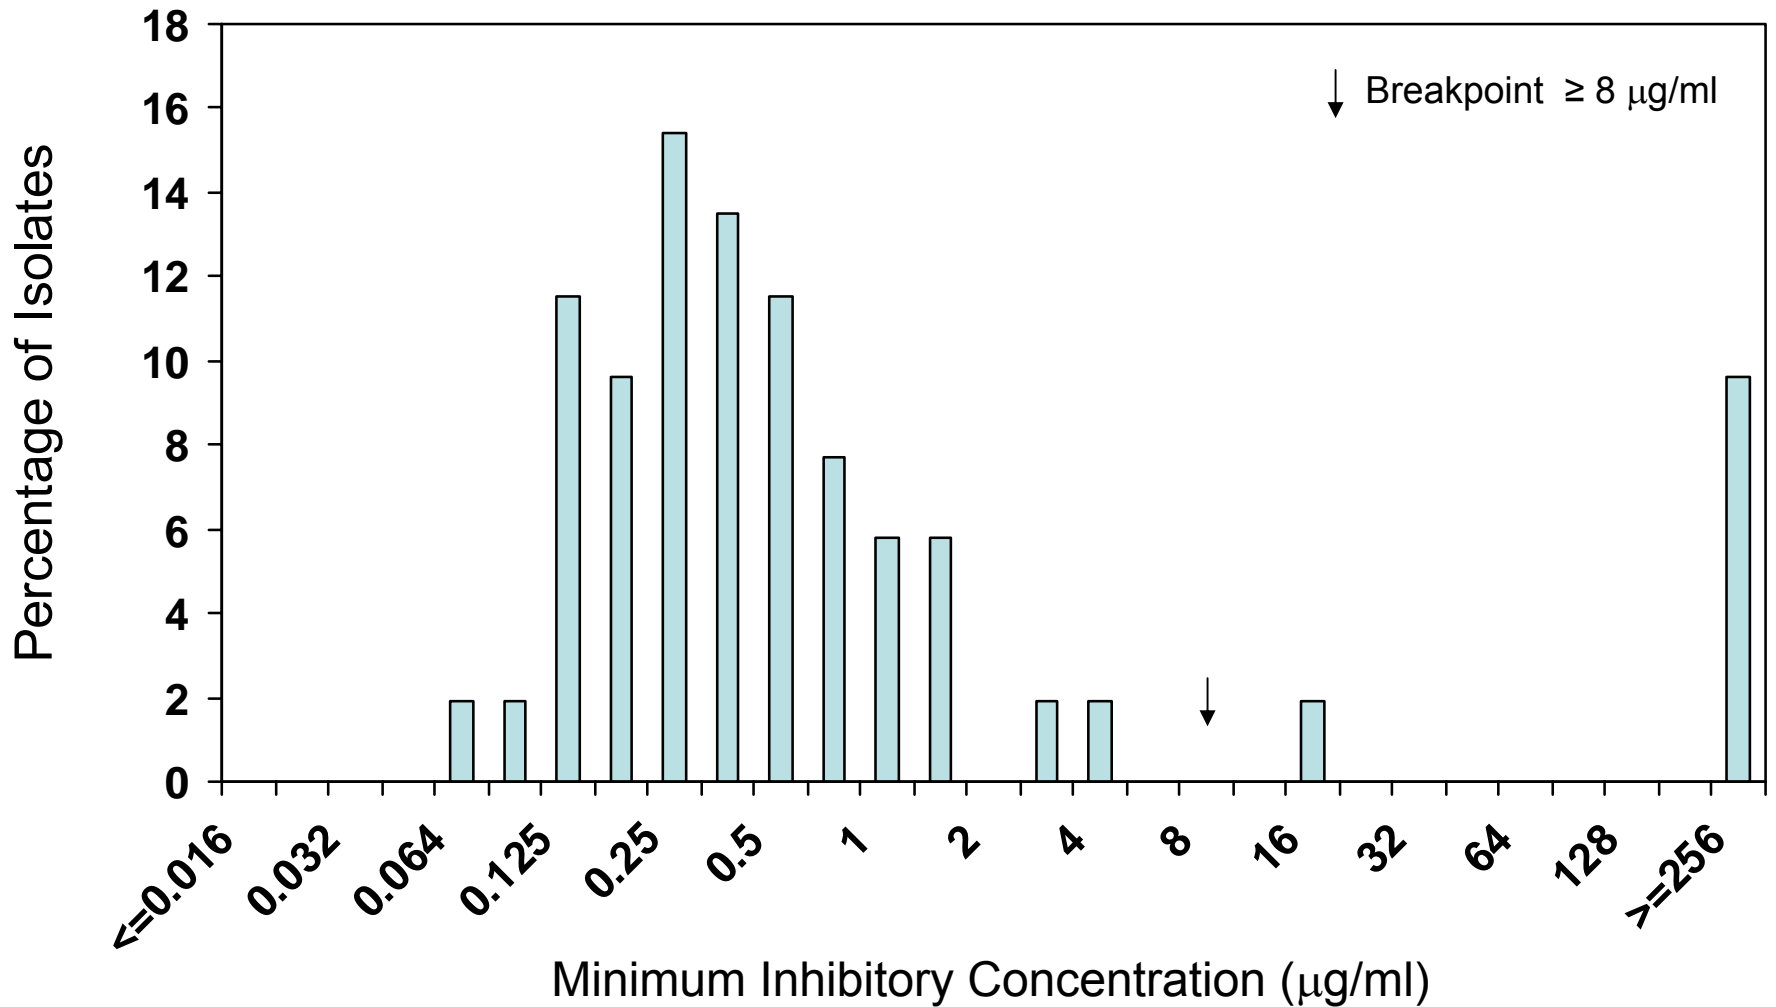

NARMS-EB 2001 – Veterinary Isolates

MICs for Clindamycin among *Campylobacter coli* isolates

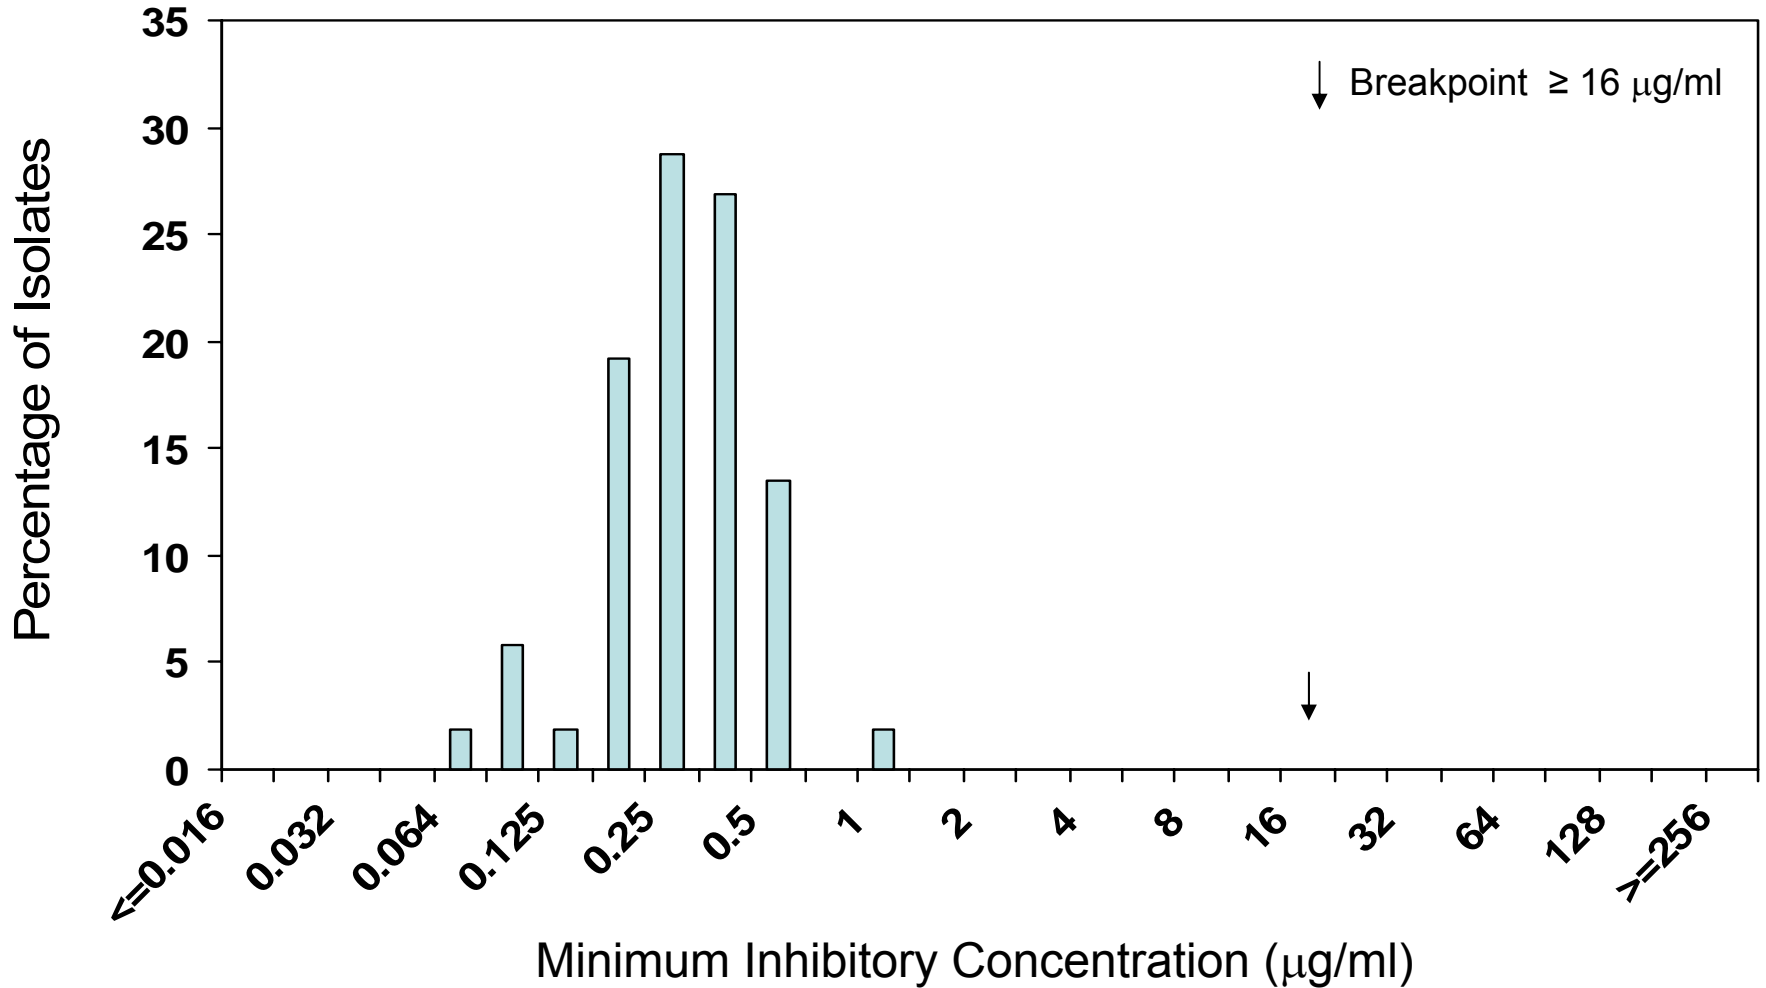

NARMS-EB 2001 – Veterinary Isolates

MICs for Erythromycin among *Campylobacter coli* isolates

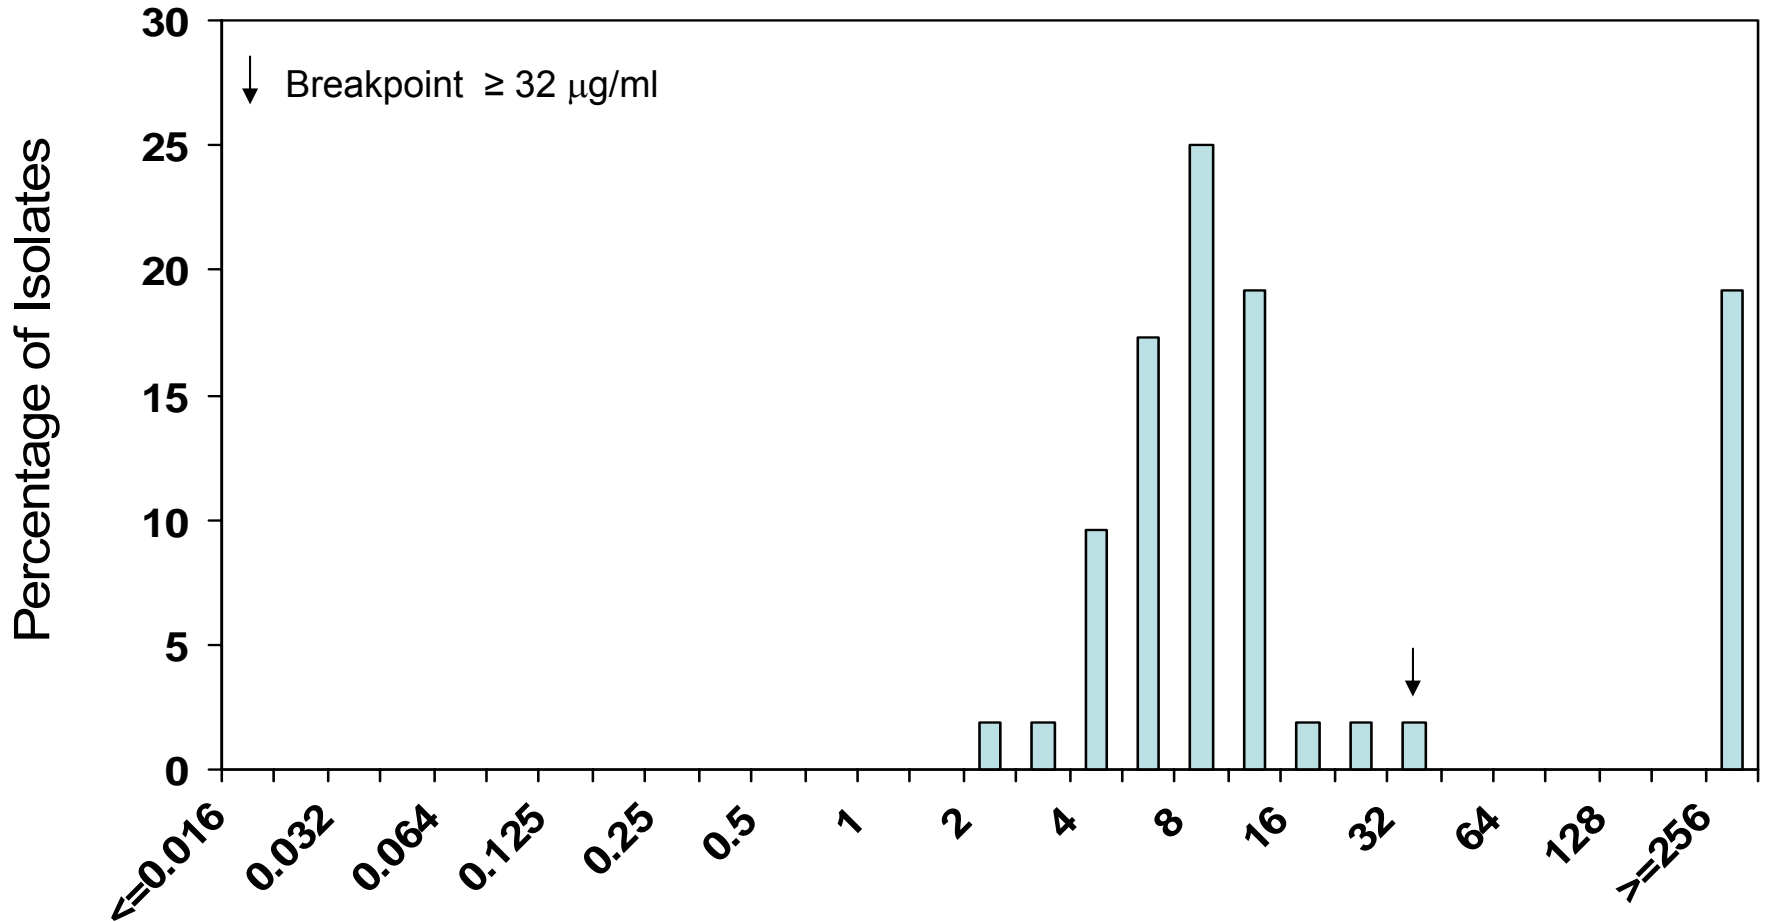

NARMS-EB 2001 – Veterinary Isolates

MICs for Gentamicin among *Campylobacter coli* isolates

NARMS-EB 2001 – Veterinary Isolates

MICs for Nalidixic Acid among *Campylobacter coli* isolates

NARMS-EB 2001 – Veterinary Isolates

MICs for Tetracycline among *Campylobacter coli* isolates
