

RECYCLE YOUR ELECTRONIC EQUIPMENT

Do you know what to do with
old electronic equipment???
e-CYCLE IT!!!

Items that can be e-cycled:

Computers, hard-drives, keyboards, printers, televisions, VCR/DVD players, cell phones, telephones, radios, pagers, digital equipment, scanners, copiers, scientific equipment, and much, much more.....

"Plug-In To eCycling" is a consumer electronics campaign working to increase the number of electronic devices collected and safely recycled in the United States. The program was launched in January 2003 as part of EPA's Conservation Resource Challenge.

DO

Save old, broken, or unused electronic equipment for recycling!

DON'T

Throw any electronic equipment in the dumpster!

Each program/lab is responsible for deciding how best to collect their recyclables. Contact Tom Hendricks (386-2392) to schedule a drop-off or if you have any questions.

YES!!

NO!!
