### **26** **HOLIDAY- NO SEMINAR**

**Tufts**  
UNIVERSITY

School of  
Medicine

The Jean Mayer USDA Human Nutrition Research Center on Aging (HNRCA) at Tufts University welcomes students, faculty, and other interested parties to the HNRCA Seminar Series — weekly seminars on cutting edge nutrition and aging research topics. Seminars are held on Mondays during the academic year and are sponsored by the Tufts University School of Medicine in collaboration with the HNRCA. Tufts University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians and designates this educational activity for a maximum of 1 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity. In addition, each seminar may be reported as 1 hour of continuing education credit for registered dietitians. Please see <http://nutrition.tufts.edu/events/seminars/hnrca/> for more information.
