

Customer Adjourment: What Happens Next??

What's Next Here?

- ARS Scientists & Staff meet to discuss what we heard from customers, stakeholders and collaborators
- Determine what we are to work on
- Determine how to organize ourselves

What's Next?

- Develop an Action Plan
- Individual project plans on what scientists/labs will do: the questions to be researched
- ARS Office of Scientific Quality Review
 - Scientific review panels
 - Certification
- 4+ Years of research.....

Please Continue the *Dialogue* With Us!

- Your perspectives and thoughts are critically important
- *Agricultural Research Magazine* subscription form in your workshop folders
- ***THANK YOU***
