Michael

This is to follow up on the emails I sent to you on June 10 and 20. I will be sending three emails, labeled email 2, email 3, and email 4, to you this morning with sets of experiment outlines.

Email 4: Attached are the experiment outlines for the Meat Safety & Quality

Please note that the scanner that we have available cannot scan 2-sided pages in order; therefore, you will note that the pages are odd followed by even.

If you have any questions, please contact me at 301-504-1655.

Sincerely,

Stasia
