Michael

A search of our files located additional experiment outlines responsive to your FOIA request.

Attached are the experiment outlines scanned to date. Please note that the scanner that we have available cannot scan 2-sided pages in order; therefore, you will note that the pages are odd followed by even. We hope to send the remainder of the experiment outlines to you by June 20.

If you have any questions, please contact me at 301-504-1655.

Sincerely,

Stasia
