Affirmative Action Plan
for the Recruitment, Hiring, Advancement, and Retention of Persons with Disabilities

To capture agencies’ affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their affirmative action plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities.

Section I: Efforts to Reach Regulatory Goals

EEOC regulations (29 CFR §1614.203(d)(7)) require agencies to establish specific numerical goals for increasing the participation of persons with disabilities and persons with targeted disabilities in the federal government.

1. Using the goal of 12% as the benchmark, does your agency have a trigger involving PWD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.
   a. Cluster GS-1 to GS-10 (PWD) Answer Yes
   b. Cluster GS-11 to SES (PWD) Answer Yes

a. 9.92 b. 6.26

*For GS employees, please use two clusters: GS-1 to GS-10 and GS-11 to SES, as set forth in 29 C.F.R. § 1614.203(d)(7). For all other pay plans, please use the approximate grade clusters that are above or below GS-11 Step 1 in the Washington, DC metropolitan region.

2. Using the goal of 2% as the benchmark, does your agency have a trigger involving PWTD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.
   a. Cluster GS-1 to GS-10 (PWTD) Answer No
   b. Cluster GS-11 to SES (PWTD) Answer No

3. Describe how the agency has communicated the numerical goals to the hiring managers and/or recruiters.

ARS holds managers and supervisors accountable for hiring and retaining a diverse workforce through the REE Recruitment Agreement, in particular, Appendix A, which requires that the ARS hiring managers utilize the MD-715 in recruiting. EEO Program Managers review MD-715 identified barriers with hiring managers during the vacancy announcement process to enhance opportunities for recruitment and hire. ARS EEO Program Managers (PM) or designees serve as EEO Observers with the evaluation panel throughout the evaluation and selection process of permanent new hires. A key goal/objective of senior level officials (Area Directors) is to work directly with the ODEO Program Managers to create more effective diversity plans to ensure sufficient opportunities for groups such as PWD and PWTD.

Section II: Model Disability Program
Pursuant to 29 C.F.R. § 1614.203(d)(1), agencies must ensure sufficient staff, training and resources to recruit and hire persons with disabilities and persons with targeted disabilities, administer the reasonable accommodation program and special emphasis program, and oversee any other disability hiring and advancement program the agency has in place.

A. PLAN TO PROVIDE SUFFICIENT & COMPETENT STAFFING FOR THE DISABILITY PROGRAM

1. Has the agency designated sufficient qualified personnel to implement its disability program during the reporting period? If “no”, describe the agency’s plan to improve the staffing for the upcoming year.

Answer Yes

2. Identify all staff responsible for implementing the agency's disability employment program by the office, staff employment status, and responsible official.

3. Has the agency provided disability program staff with sufficient training to carry out their responsibilities during the reporting period? If “yes”, describe the training that disability program staff have received. If “no”, describe the training planned for the upcoming year.

Answer Yes

The Reasonable Accommodation Program Manager attends classroom-style training on an “annual” basis provided by the National Employment Law Institute. She also fully complies with all Agency-wide civil rights and diversity training mandates. Additionally, she stays abreast of any new or updated program regulations, program developments and best practices by doing independent research and/or by participating in Departmental meetings, webinars, conference calls, etc. The disability program staff has received Special Emphasis Program Manager (SEPM) Training, Barrier Analysis Training, MD-715 Training.

B. PLAN TO ENSURE SUFFICIENT FUNDING FOR THE DISABILITY PROGRAM

Has the agency provided sufficient funding and other resources to successfully implement the disability program during the reporting period? If “no”, describe the agency’s plan to ensure all aspects of the disability program have sufficient funding and other resources.

Answer Yes
Most accommodations provided are cost neutral, however, funding is available to any deciding officials who incurs costs to providing employees with disabilities with special equipment or services. Furthermore, the Agency’s written policy and verbal guidance from the Reasonable Accommodation Program Manager provides deciding officials with procedures to obtain funding, when necessary.

Section III: Program Deficiencies In The Disability Program

Section IV: Plan to Recruit and Hire Individuals with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency’s recruitment program plan for PWD and PWTD

A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

The agency utilizes the Workforce Recruitment Program for College Students with Disabilities (WRP) and the Summer Youth Enrichment Program (SYEP).

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency’s use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce.

The agency has experienced success utilizing the Schedule A 213.2102(u) authority to recruit individuals with disabilities using various programs.

3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual's application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

Individuals apply for REE vacancies via USAJobs. Qualified individuals are referred to selecting officials on a non-competitive eligibles certificate.

4. Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If “yes”, describe the type(s) of training and frequency. If “no”, describe the agency’s plan to provide this training.

Answer: Yes

Training is available in AgLearn. The Disability Program Manager also provided a comprehensive presentation of programs for hiring people with disabilities. Employee inform and engage webinar held for hiring managers, webinars held on importance of diversity and hidden bias and diversity and hidden bias in selection process, and best hiring practice tips for successful interview and selection. The agency will conduct an inform and engage webinar on the Workforce Recruitment Program (WRP) for College Students with Disabilities in FY 19.

B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS

Describe the agency’s efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.
The agency utilizes the Workforce Recruitment Program for College Students with Disabilities (WRP) and the Summer Youth Enrichment Program (SYEP). As an employment initiative for the past three years, the USDA-ARS, South East Area Program Analysts are in continued weekly contact with Disability Scoop; which is the nation’s largest news organization devoted to covering developmental disabilities. With daily coverage of autism, intellectual disability, cerebral palsy, Down syndrome and more, no other news source offers a more timely and comprehensive take on the issues that matter to the developmental disability community and potential U.S. workforce. With consistent vacancies being distributed amongst the readers which include teachers, special educators, school administrators, therapists and other disability professionals in addition to parents and caregivers will continue and soon give USDA-ARS, SEA a consistent advertisement recruitment venue resource for the readers and the opportunities to view disability issues or available individuals with disabilities for employment opportunities in the SEA region and other ARS locations. The SEA Program Analysts along with the SEA Administration are developing new working relationships with the Disabled American Veterans and an ongoing work with the Georgia Vocational Rehabilitation Agency. Strides have been made with recruitment guidance, veteran spouse support, veteran preference hiring practices thru the Gulf Coast Veterans Advocacy Council (GCVAC), and continue to make recommendations to improve the quality of life for the veterans and their families thru employment practices. All non-scientific vacancies were circulated to an established list-serve of contacts known as the Northeast Area Best Hiring Practice. The list-serve Points of Contact (POC), include 1890’s Institutions, Hispanic Serving Institutions, Historically Black Colleges and Universities (HBCU), Workforce Recruitment Coordinators for Veterans and the Military (State of Maryland) and others. This initiative ensures that a broad candidate pool is reached and minorities are made aware of career opportunities, including student programs within Agricultural Research Service and the USDA. Agency staff participated in outreach to the Colorado Department of Labor and Employment, Division of Vocational Rehabilitation Offices in Denver, Boulder, Fort Collins, Greeley, Golden, Colorado Springs, Pueblo, Alamosa and the Eastern Plains Offices and conducted meetings with each location Business Outreach Representative to update information and to explore potential future partnerships.

Section V: Plan to Ensure Advancement Opportunities for Employees with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(iii), agencies are required to provide sufficient advancement opportunities for employees with disabilities. Such activities might include specialized training and mentoring programs, career development opportunities, awards programs, promotions, and similar programs that address advancement. In this section, agencies should identify, and provide data on programs designed to ensure advancement opportunities for employees with disabilities.

A. ADVANCEMENT PROGRAM PLAN

Describe the agency’s plan to ensure PWD, including PWTD, have sufficient opportunities for advancement.

To demonstrate the Agency’s commitment to diversity and EEO, the Administrator established a group that was comprised of staff from Administrative and Financial Management (including Human Resources Division) and the Office of Outreach, Diversity, and
Equal Opportunity to develop a Diversity Recruitment Plan to increase diversity in underrepresented populations throughout the Agency. The plan contains several goals with several corresponding objectives which are accompanied by action/improvement strategies. For example, in 2017, the Office of Outreach, Diversity, and Equal Opportunity (ODEO) reassigned its ODEO Program Managers directly to Area Directors who oversee a majority of the workforce at ARS. A key goal/objective of these senior level officials (Area Directors) is to work directly with the reassigned ODEO Program Managers to create more effective diversity plans to ensure sufficient opportunities for groups such as PWD and PWTD. Strategies are being developed to attract and promote PWD and PWTD within each geographical area in the country. As the Agency is divided into five (5) geographical regions, each Area faces different challenges based upon the unique populations which inhabit those regions. By directly assigning ODEO Program Managers to the Area Directors, ARS is better equipping those senior officials with subject matter experts to identify local sources of PWD and PWTD perspective employees. In addition, the ODEO Program Managers will enhance local outreach activities and develop diversity plans specifically designed to attract the potential PWD and PWTD talent sought to serve in a research organization such as ARS. Beginning in FY2016, ARS-ODEO developed a hiring program for the recruitment of persons with disabilities, in which the pilot program allowed for the hiring of a Ph.D. student currently working in the Geneva, NY ARS location as a Schedule A appointment. The employee is an individual with disabilities who was working temporarily in the ARS facility while attending Cornell University. The program was designed to provide her with summer funding as an ARS employee while she remains a student, and then provides non-competitive conversion into a permanent scientific position within the Agency once she has completed her program. The plan allows for recruitment, provides a path for advancement opportunities (by providing permanent employment into SY positions with uncapped promotion potential), as well as improves retention of persons with disabilities by providing a recruitment that ultimately results in permanent employment with the Agency. The successful implementation with the original employee has provided a potential recruitment plan for other individuals with disabilities in the future.

B. CAREER DEVELOPMENT OPPORTUNITIES

1. Please describe the career development opportunities that the agency provides to its employees.

Agency career development opportunities are: OPM/Management Development, OPM FEI Leadership, Congressional Briefing Conference, NRLTP Leadership Workshop, New Leader Program, Executive Leadership Potential, American Management Associate Leadership & Team Development for Managerial Success, ARS Mentoring Program, ARS Supervisory Training, Location and Headquarters Service Employees Team (SET) Details. As long as employees meet the requirements (grade, within their discipline, supervisors’ approval, funding, etc.) interested employees may apply for career development opportunities. Employees interested in serving on a detail coordinate with their supervisors and submit resumes to the SET Program Coordinator who works with the requestor to fill their needs. Once a year within 30 days of annual performance evaluations, employees and supervisors must meet to discuss goals and accomplishments and develop an IDP. This meeting gives both the opportunity to set objectives and plan learning experiences that will support them.

2. In the table below, please provide the data for career development opportunities that require competition and/or supervisory recommendation/ approval to participate.

Section VI: Plan to Improve Retention of Persons with Disabilities

To be model employer for persons with disabilities, agencies must have policies and programs in place to retain employees with disabilities. In this section, agencies should: (1) analyze workforce separation data to identify barriers retaining employees with disabilities; (2) describe efforts to ensure accessibility of technology and facilities; and (3) provide information on the reasonable accommodation program and workplace assistance services.

A. VOLUNTARY AND INVOLUNTARY SEPARATIONS

1. In this reporting period, did the agency convert all eligible Schedule A employees with a disability into the competitive service after two years of satisfactory service (5 C.F.R. § 213.3102(u)(6)(i))? If “no”, please explain why the agency did not convert all eligible Schedule A employees.

   Answer Yes

2. Using the inclusion rate as the benchmark, did the percentage of PWD among voluntary and involuntary separations exceed that of persons without disabilities? If “yes”, describe the trigger below.

   a. Voluntary Separations (PWD) Answer No
   b. Involuntary Separations (PWD) Answer No

4. If a trigger exists involving the separation rate of PWD and/or PWTD, please explain why they left the agency using exit interview results and other data sources.

### B. ACCESSIBILITY OF TECHNOLOGY AND FACILITIES

Pursuant to 29 CFR §1614.203(d)(4), federal agencies are required to inform applicants and employees of their rights under Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. § 794(b), concerning the accessibility of agency technology, and the Architectural Barriers Act of 1968 (42 U.S.C. § 4151-4157), concerning the accessibility of agency facilities. In addition, agencies are required to inform individuals where to file complaints if other agencies are responsible for a violation.

1. Please provide the internet address on the agency’s public website for its notice explaining employees’ and applicants’ rights under Section 508 of the Rehabilitation Act, including a description of how to file a complaint.

ARS currently defers to the Departmental Section 508 Regulation. Unfortunately at this time there is no formal Section 508 complaint process within ARS. The Office of the Assistant Secretary for Civil Rights (OASCR) is designated to handle Section 508 complaints but is currently reviewing and mediating complaints based on Section 504 of the Rehabilitation Act. [https://www.ocio.usda.gov/policy-directives-records-forms/section-508](https://www.ocio.usda.gov/policy-directives-records-forms/section-508)

3. Describe any programs, policies, or practices that the agency has undertaken, or plans on undertaking over the next fiscal year, designed to improve accessibility of agency facilities and/or technology.

ARS addresses handicap accessibility in a few ways. While buildings are old and are grandfathered to meet the standard at the time they are built, ARS does have locations on an ad hoc, occasional basis that will execute projects to provide or improve accessibility at their facilities year in and year out. ARS addresses ADA accessibility issues when performing major renovation or renewal of any existing buildings. The current design guide, P&P 242.1, requires that ARS meet current handicap accessibilities standards. ARS is in the process of undergoing a 5 year complete facility assessment of all active ARS owned facilities. During the assessment visit, accessibility requirements are noted with other system deficiencies. The location can prioritize all deficient items/systems throughout their facility within their three years Capital Projects and Repair Plan (CPRP). They will then execute prioritized projects throughout the year. While all accessibility items identified are not accomplished immediately, the ones associated with a safety issue will get prioritized first and funded within the same fiscal year by the location/area. ARS Capital Investment Strategy, projects that are funded by Congress under the Building and Facility Program are required to meet all current ADA Accessibility standards as well as all Federal, State and Local building/code compliant standards. Currently ARS is in an “ad hoc” state, meaning that there are currently no actions being performed in the required areas for Section 508 due to a lack of funding specific to accessibility/Section 508 activities. The current IT budget is $4.7 million. With respect to training and awareness, ARS is currently
in a planned state.

C. REASONABLE ACCOMMODATION PROGRAM

Pursuant to 29 C.F.R. § 1614.203(d)(3), agencies must adopt, post on their public website, and make available to all job applicants and employees, reasonable accommodation procedures.

1. Please provide the average time frame for processing initial requests for reasonable accommodations during the reporting period. (Please do not include previously approved requests with repetitive accommodations, such as interpreting services.)

As cited in the Agency’s Reasonable Accommodation (RA) Policy & Procedures, deciding officials have 5 days to acknowledge receipt of a RA request and 30 days to provide an accommodation. On average, reasonable accommodation requests are processed immediately. For equipment purchases, full implementation of an accommodation may vary depending upon the vendor and the type of equipment needed. Additionally, most deciding officials provide interim accommodations or offer an alternative accommodation when the preferred accommodation is an undue hardship. As a result, the Agency has few or no denials.

2. Describe the effectiveness of the policies, procedures, or practices to implement the agency’s reasonable accommodation program. Some examples of an effective program include timely processing requests, timely providing approved accommodations, conducting training for managers and supervisors, and monitoring accommodation requests for trends.

The following efforts are ongoing by the REE Reasonable Accommodation Program Manager to ensure program efficiency and effectiveness: • Participates in Agency-wide meetings, trainings, and webinars as the subject-matter expert to promote RA program awareness. • Developed visual aids to simplify the RA administrative process for persons with disabilities and their deciding officials which includes step-by-step procedures for timely processing of requests. • Modified policies, hard copy materials, and web site information to ensure persons with disabilities understand their rights and responsibilities. • Strategizes with supervisors to develop alternative accommodation options that are equally effective when preferred accommodation imposes an undue hardship. This mitigates denials which reduce or eliminate EEO complaints. • Provides classroom-style training or webinars to educate the workforce—particularly supervisors who serve as RA deciding officials. • Issues a quarterly email blast (newsletter) with snippets of RA information. • Informs both persons with disabilities and their supervisors of proper record keeping of medical documentation to reduce or eliminate HIPPA and Privacy Act violations. Partners with HR professionals when program overlaps occur to ensure a collaborative and consistent approach exists when conveying information to employees and their supervisors.

D. PERSONAL ASSISTANCE SERVICES ALLOWING EMPLOYEES TO PARTICIPATE IN THE WORKPLACE

Pursuant to 29 CFR §1614.203(d)(5), federal agencies, as an aspect of affirmative action, are required to provide personal assistance services (PAS) to employees who need them because of a targeted disability, unless doing so would impose an undue hardship on the agency.

Describe the effectiveness of the policies, procedures, or practices to implement the PAS requirement. Some examples of an effective program include timely processing requests for PAS, timely providing approved services, conducting training for managers and supervisors, and monitoring PAS requests for trends.

The REE RA Program Manager revised the Agency’s RA Program Policy & Procedures which included a separate chapter to explain the policy and procedures for requesting Personal Assistance Services (PAS). The policy was issued to the REE workforce on January 4, 2018. To date, there have been no requests submitted for PAS, therefore a trend analysis is not relevant at this time. Information about PAS is shared with the workforce during training sessions/webinars that are provided by the REE RA Program Manager.

Section VII: EEO Complaint and Findings Data

A. EEO COMPLAINT DATA INVOLVING HARASSMENT

1. During the last fiscal year, did a higher percentage of PWD file a formal EEO complaint alleging harassment, as compared to the governmentwide average?
2. During the last fiscal year, did any complaints alleging harassment based on disability status result in a finding of discrimination or a settlement agreement?

Answer  No

3. If the agency had one or more findings of discrimination alleging harassment based on disability status during the last fiscal year, please describe the corrective measures taken by the agency.

B. EEO COMPLAINT DATA INVOLVING REASONABLE ACCOMMODATION

1. During the last fiscal year, did a higher percentage of PWD file a formal EEO complaint alleging failure to provide a reasonable accommodation, as compared to the government-wide average?

Answer  No

2. During the last fiscal year, did any complaints alleging failure to provide reasonable accommodation result in a finding of discrimination or a settlement agreement?

Answer  No

3. If the agency had one or more findings of discrimination involving the failure to provide a reasonable accommodation during the last fiscal year, please describe the corrective measures taken by the agency.

Section VIII: Identification and Removal of Barriers

Element D of MD-715 requires agencies to conduct a barrier analysis when a trigger suggests that a policy, procedure, or practice may be impeding the employment opportunities of a protected EEO group.

1. Has the agency identified any barriers (policies, procedures, and/or practices) that affect employment opportunities for PWD and/or PWTD?

Answer  Yes

2. Has the agency established a plan to correct the barrier(s) involving PWD and/or PWTD?

Answer  Yes

3. Identify each trigger and plan to remove the barrier(s), including the identified barrier(s), objective(s), responsible official(s), planned activities, and, where applicable, accomplishments
The lower than expected participation rate of PWD (8.10%) in the agency’s total workforce permanent workforce as compared to the goal of 12%.
