

Contributors

M.C. Brumm, professor of animal science, University of Nebraska, Northeast Research and Extension Center, Concord, NE 68728

T.C. Daniel, professor of soil and water chemistry, University of Arkansas, Department of Agronomy, Fayetteville, AR 72701

Bahman Eghball, research soil scientist, University of Nebraska, Department of Agronomy, Lincoln, NE 68583

Jerry L. Hatfield, laboratory director, USDA–ARS, National Soil Tilth Laboratory, Ames, IA 50011

Robert K. Hubbard, research soil scientist, USDA–ARS, Southeast Watershed Research Laboratory, Tifton, GA 31793

Donald D. Kaufman, research collaborator, USDA–ARS, Soil Microbial Systems Laboratory, Beltsville, MD 20705

W. Doral Kemper, research collaborator, USDA–ARS, National Program Staff, Beltsville, MD 20705

Ronald F. Korcak, associate director, USDA–ARS, Plant Sciences Institute, Beltsville, MD 20705

Robert R. Lowrance, research ecologist, USDA–ARS, Southeast Watershed Research Laboratory, Tifton, GA 31793

S.W. Melvin, professor of soil water waste management, Iowa State University, Agricultural and Biosystems Engineering Department, Ames, IA 50011

Patricia D. Millner, research microbiologist, USDA–ARS, Soil Microbial Systems Laboratory, Beltsville, MD 20705

P.A. Moore, Jr., research soil scientist, USDA–ARS, Poultry Production and Product Safety Laboratory, Fayetteville, AR 72701

James F. Power, research collaborator, USDA–ARS, Northern Plains Area Soil and Water Conservation Research Laboratory, Lincoln, NE 68583

Andrew N. Sharpley, research soil scientist, USDA–ARS, Northeast Watershed Research Laboratory, University Park, PA 16802

Lawrence J. Sikora, research microbiologist, USDA–ARS, Soil Microbial Systems Laboratory, Beltsville, MD 20705

Marion E. Simpson, research collaborator, USDA–ARS, Soil Microbial Systems Laboratory, Beltsville, MD 20705

C.W. Wood, professor of soil fertility, Auburn University, Department of Agronomy and Soils, Auburn, AL 36849

Robert J. Wright, national program leader—soil management, USDA–ARS, National Program Staff, Beltsville, MD 20705
