Mrs. Mary Stephenson
Principal

Dear Science Fair Supporter,

November 30, 2012

Pointer Ridge Elementary School is preparing for its annual STEM (Science, Technology, Engineering, and Mathematics) Fair on **Thursday, January 24, 2013**. We are proud of the work and effort that our students put into their projects each year. We need STEM Fair judges to help make a successful STEM Fair. The event allows students to apply the Scientific Process and analyze data to draw conclusions. We would like to invite you to participate in our judging this year.

Individual projects from grades 3, 4 and 5 will be judged. The projects will be judged using the judging criteria based on our county's Kids for Science Fair.

We are asking that judges arrive by 7:45am. At that time we will review the judging criteria, review the elements of the projects, and review the list of possible interview questions. Coffee and light pastries will be available in the morning as well. Judging will begin by 8:15 am and should conclude by 12:00 pm. Each judge will be asked to judge approximately 10 projects.

If you, or a colleague, would like to participate in the STEM Fair as a judge, your time and support would be greatly appreciated by our school. We are hoping to get at least 25 judges this year. Please feel free to respond on the form below by fax at 301-390-0281, by phone at 301-390-0220, or via email at tracy.anderson@pgcps.org by **Thursday, January 10, 2013**. If you have any questions, please don't hesitate to contact me.

Thank you for your time and we hope to see you at our Science Fair on Thursday, January 24

Sincerely,

Tracy Anderson
Science Fair Coordinator

Mary Stephenson
Principal

Response Form-please call, fax, or e-mail by Thursday, January 10, 2013.

____ Yes, I would love to help with the Science Fair. ____ No, I am unable to participate this year.

Name _____ Organization _____

Phone Number _____ Email address: _____

Number and names of judges planning to attend _____
